**ARTICLE 2  
GENERAL AND USE RESTRICTIONS**

All of the Property shall be owned, held, encumbered, leased, used, occupied, and enjoyed subject to the following limitations and restrictions:

**2.1 General.**

2.1.1 Conditions and Restrictions. All Lots within the Property will be owned, held, encumbered, leased, used, occupied and enjoyed subject to the Restrictions.

2.1.2 Ordinances. Ordinances and requirements imposed by local governmental authorities are applicable to all Lots within the Property. Compliance with the Restrictions is not a substitute for compliance with Applicable Law. Please be advised that the Restrictions do not purport to list or describe each restriction or ordinance or regulation which may be applicable to a Lot located within the Property. Each Owner is advised to review all ordinances, requirements, regulations and encumbrances affecting the use and improvement of their Lot prior to submitting plans to the ACC for approval. Furthermore, approval by the ACC

RP-2021-137874

should not be construed by the Owner that any Improvement complies with the terms and provisions of any ordinances, requirements, regulations, or encumbrances which may affect the Owner's Lot. Certain encumbrances may benefit parties whose interests are not addressed by the ACC.

**NOTICE**

**The Restrictions are subject to change from time to time. By owning or occupying a Lot, you agree to remain in compliance with the Restrictions, as they may change from time to time.**

**2.2 Conceptual Plans.** All master plans, site plans, brochures, illustrations, information and marketing materials relating to the Property or the Common Area (collectively, the "**Conceptual Plans**") are conceptual in nature and are intended to be used for illustrative purposes only. The land uses and Improvements reflected on the Conceptual Plans are subject to change at any time and from time to time, and it is expressly agreed and understood that land uses within the Property or the Common Area may include uses which are not shown on the Conceptual Plans. Neither Declarant nor any Homebuilder or other developer of any portion of the Property or the Common Area makes any representation or warranty concerning such land uses and Improvements shown on the Conceptual Plans or otherwise planned for the Property or the Common Area and it is expressly agreed and understood that no Owner will be entitled to rely upon the Conceptual Plans or any statement made by the Declarant or any of Declarant's representatives regarding proposed land uses, or proposed or planned Improvements in making the decision to purchase any land or Improvements within the Property. Each Owner who acquires a Lot within the Property acknowledges that development of the Property and/or the Common Area will likely extend over many years, and agrees that the Association will not engage in, or use Association funds to support, protest, challenge, or make any other form of objection to development of the Property or the Common Area or changes in the Conceptual Plans as they may be amended or modified from time to time.

**2.3 Single-Family Residential Use.** The Lots shall be used solely for private single family residential purposes.

No professional, business, or commercial activity to which the general public is invited shall be conducted on any Lot, except an Owner or Resident may conduct business activities within a residence so long as: (i) such activity complies with all Applicable Law; (ii) the business activity is conducted without the employment of persons other than the residents of the home constructed on the Lot; (iii) the existence or operation of the business activity is not apparent or detectable by sight, i.e., no sign may be erected advertising the business on any Lot, sound, or smell from outside the residence; (iv) the business activity does not involve door-to-door solicitation of residents within the Property; (v) the business does not, in the Board's judgment, generate a level of vehicular or pedestrian traffic or a number of vehicles parked within the Property which is noticeably greater than that which is typical of residences in which no business activity is being conducted; (vi) the business activity is consistent with the

residential character of the Property and does not constitute a nuisance, or a hazardous or offensive use, or threaten the security or safety of other residents within the Property as may be determined in the sole discretion of the Board; and (vii) the business does not require the installation of any machinery other than that customary to normal household operations. In addition, for the purpose of obtaining any business or commercial license, neither the residence nor Lot will be considered open to the public. The terms "business" and "trade", as used in this provision, shall be construed to have their ordinary, generally accepted meanings and shall include, without limitation, any occupation, work, or activity undertaken on an ongoing basis which involves the provision of goods or services to persons other than the provider's family and for which the provider receives a fee, compensation, or other form of consideration, regardless of whether: (x) such activity is engaged in full or part-time; (y) such activity is intended to or does generate a profit; or (z) a license is required.

Leasing of a residence shall not be considered a business or trade within the meaning of this subsection. This subsection shall not apply to any activity conducted by the Declarant or a Homebuilder.

Notwithstanding any provision in this Declaration to the contrary, until the expiration or termination of the Development Period:

(i) Declarant and/or its assignees may construct and maintain upon portions of the Common Area, any Lot, or portion of the Property owned by the Declarant or Fenway, such facilities and may conduct such activities which, in Declarant's sole opinion, may be reasonably required, convenient, or incidental to the construction or sale of single family residences constructed upon the Lots, including, but not limited to, business offices, signs, model homes, and sales offices. Declarant and/or its assignees shall have an easement over and across the Common Area for access and use of such facilities at no charge; and

(ii) Declarant and/or its assignees will have an access easement over and across the Common Area for the purpose of making, constructing and installing Improvements upon the Common Area and the Property.

**2.4 Rentals.** Nothing in this Declaration will prevent the rental of any Lot and the Improvements thereon by the Owner thereof for residential purposes; provided that: (i) all rentals must be for a term of at least six (6) months; and (ii) no portion of a Lot (other than the entire Lot) may be rented. All leases shall be in writing, and the Board will have the authority to approve all leases in advance. Each lease must provide, or be deemed to provide, that the Board shall have the right to terminate the lease upon default by the tenant in observing any provisions of the Restrictions. The Board may deny permission to lease any Lot on any reasonable grounds the Board may find. The Board shall have the right to require the Owner to deposit in escrow with the Association (in addition to any other deposits which may be required by the Owner so long as such additional deposit is not prohibited by law) an amount

not to exceed one month's rental fee paid. Said deposit may be used by the Association to repair any damage to the Property resulting from acts or omission by the tenants (as determined in the sole discretion of the Board). Regardless of whether or not expressed in the applicable lease, all Owners shall be jointly and severally liable with the tenants of such Lot to the Association for any amount which is required by the Association to effect such repairs or to pay any claim for any injury or damage to property caused by the negligence of the tenant of such Lot or for the acts or omissions of the tenant(s) of such Lot which constitute a violation of, or non-compliance with, the provisions of the Restrictions. All leases shall comply with and be subject to the provisions of the Restrictions and the provisions of same shall be deemed expressly incorporated into any lease of a Lot. This *Section 2.4* shall also apply to assignments and renewals of leases. No lease approved by the Board shall be amended or modified without the Board's approval. In making its determination as to whether to approve a lease of a Lot, the Board shall not discriminate on the grounds of race, gender, religion, national origin, familial status or physical or mental handicap; provided, however, nothing herein shall be construed to require the Association to furnish an alternate tenant to the Owner in the event the Board disapproves a lease or tenant. Upon entering into an agreement for the lease of a Lot, an Owner, other than Declarant, shall provide written notice to the Board, or its designee, of the lease agreement and furnish the names of the prospective tenant. This *Section 2.8* shall not apply to minerals, resources and groundwater, or some portion thereof or some interest therein, that may have been conveyed or reserved by third parties prior to Declarant's ownership of the Property (the "Third Party Oil, Gas and Mineral Interests"). Failure to comply with any of the Restrictions shall constitute a violation of the Restrictions and may result in a fine against the Owner in accordance with *Section 7.13* of this Declaration, and shall give rise to a cause of action to recover sums due for damages or injunctive relief, or both, maintainable by the Declarant, the Board on behalf of the Association, the ACC, or by an aggrieved Owner. The result of every act or omission that violates any provision of the Restrictions is a nuisance, and any remedy allowed by law against a nuisance, either public or private, is applicable against the violation. Without limiting any rights or powers of the Association, the Board may (but shall not be obligated to) remedy or attempt to remedy any violation of any of the provisions of the Restrictions, and the Owner whose violation has been so remedied shall be personally liable to the Association for all costs and expenses of effecting (or attempting to effect) such remedy. If such Owner fails to pay such costs and expenses upon

demand by the Association, such costs and expenses (plus interest from the date of demand until paid at the maximum lawful rate, or if there is no such maximum lawful rate, at the rate of one and one-half percent (1-1/2%) per month) shall be assessed against and chargeable to the Owner's Lot(s). Any such amounts assessed and chargeable against a Lot shall be secured by the liens reserved in this Declaration for Assessments and may be collected by any means provided in this Declaration for the collection of Assessments, including, but not limited to, foreclosure of such liens against the Owner's Lot(s). **Each such Owner shall indemnify and hold harmless the Association and its officers, directors, employees and agents from any cost, loss, damage, expense, liability, claim or cause of action incurred or that may arise by reason of the Association's acts or activities under this Section 2.25 (including any cost, loss, damage, expense, liability, claim or cause of action arising out of the Association's negligence in connection therewith), except for such cost, loss, damage, expense, liability, claim or cause of action arising by reason of the Association's gross negligence or willful misconduct. "Gross negligence" as used herein does not include simple negligence, contributory negligence or similar negligence short of actual gross negligence.**

**2.26 Liability of Owners for Damage to Common Area.** No Owner shall in any way alter, modify, add to or otherwise perform any work upon the Area of Common Responsibility or the Common Area without the prior written approval of the Board and the Declarant during the Development Period. Each Owner shall be liable to the Association for any and all damages to: (i) the Common Area and any Improvements constructed thereon; or (ii) any Improvements constructed on any Lot, the maintenance of which has been assumed by the Association, including, but not limited to the Area of Common Responsibility, which damages were caused by the neglect, misuse or negligence of such Owner or Owner's family, or by any tenant or other Resident of such Owner's Lot, or any guest or invitee of such Owner or Resident. The full cost of all repairs of such damage shall be an Individual Assessment against such Owner's Lot, secured by a lien against such Owner's Lot and collectable in the same manner as provided in Section 7.11 of this Declaration.

**2.27 No Warranty of Enforceability.** Declarant makes no warranty or representation as to the present or future validity or enforceability of the Restrictions. Any Owner acquiring a Lot in reliance on one or more of the Restrictions shall assume all risks of the validity and enforceability thereof and, by acquiring the Lot, agrees to hold Declarant harmless therefrom.

**2.28 Party Wall Fences and Walls.** A fence or wall located on or near the dividing line between two (2) Lots and intended to benefit both Lots constitutes a "Party Wall" and, to the extent not inconsistent with the provisions of this Section 2.28, is subject to the general rules of law regarding party walls and liability for property damage due to negligence, willful acts, or omissions and are subject to the following:

**2.28.1 Encroachments & Easement.** If the Party Wall is on one Lot due to an error in construction, the Party Wall is nevertheless deemed to be on the dividing line for purposes of this Section 2.28. Each Lot sharing a Party Wall is subject to an easement for the

existence and continuance of any encroachment by the Party Wall as a result of construction, repair, shifting, settlement, or movement in any portion of the Party Wall, so that the encroachment may remain undisturbed as long as the Party Wall stands. Each Lot is subject to a reciprocal easement for the maintenance, repair, replacement, or reconstruction of the Party Wall.

2.28.2 Right to Repair. If the Party Wall is damaged or destroyed from any cause, the Owner of either Lot may repair or rebuild the Party Wall to its previous condition, and the Owners of both Lots, their successors and assigns, have the right to the full use of the repaired or rebuilt Party Wall. No Party Wall may be constructed, repaired, or rebuilt without the advance written approval of the ACC in accordance with *Article 9* of this Declaration.

2.28.3 Maintenance Costs. The Owners of the adjoining Lots share equally the costs of repair, reconstruction, or replacement of the Party Wall, subject to the right of one Owner to call for larger contribution from the other under any rule of law regarding liability for negligence or willful acts or omissions. If an Owner is responsible for damage to or destruction of the Party Wall, that Owner will bear the entire cost of repair, reconstruction, or replacement. If an Owner fails or refuses to pay his share of costs of repair or replacement of the Party Wall, the Owner advancing monies has a right to file a claim of lien for the monies advanced in the Official Public Records of Harris County, Texas, and has the right to foreclose the lien as if it were a mechanic's lien. The right of an Owner to require contribution from another Owner under this *Section 2.28* is appurtenant to the Lot and passes to the Owner's successors in title.

2.28.4 Alterations. The Owner of a Lot sharing a Party Wall may not cut openings in the Party Wall or alter or change the Party Wall in any manner that affects the use, condition, or appearance of the Party Wall to the adjoining Lot. The Party Wall will always remain in the same location as when erected unless otherwise approved by the Owner of each Lot sharing the Party Wall and the ACC.

2.28.5 Dispute Resolution. In the event of any dispute arising concerning a Party Wall, or under the provisions of this *Section 2.28* (the "**Dispute**"), the parties shall submit the Dispute to mediation. Should the parties be unable to agree on a mediator within ten (10) days after written request therefore by the Board, the Board shall appoint a mediator. If the Dispute is not resolved by mediation, the Dispute shall be resolved by binding arbitration. Either party may initiate the arbitration. Should the parties be unable to agree on an arbitrator within ten (10) days after written request therefore by the Board, the Board shall appoint an arbitrator. The decision of the arbitrator shall be binding upon the parties and shall be in lieu of any right of legal action that either party may have against the other. In the event an Owner fails to properly and on a timely basis (both standards to be determined by the Board in the Board's sole and absolute discretion) implement the decision of the mediator or arbitrator, as applicable, the Board may implement said mediator's or arbitrator's decision, as applicable. If the Board implements the mediator's or arbitrator's decision on behalf of an Owner, the Owner

otherwise responsible therefor will be personally liable to the Association for all costs and expenses incurred by the Association in conjunction therewith. If such Owner fails to pay such costs and expenses upon demand by the Association, such costs and expenses (plus interest from the date of demand until paid at the maximum lawful rate, or if there is no such maximum lawful rate, at the rate of one and one-half percent (1½%) per month) will be assessed against and chargeable to the Owner's Lot(s). Any such amounts assessed and chargeable against a Lot hereunder will be secured by the liens reserved in this Declaration for Assessments and may be collected by any means provided in this Declaration for the collection of Assessments, including, but not limited to, foreclosure of such liens against the Owner's Lot(s).

**2.29 Playscapes and Sports Courts.** Sport courts are not permitted within the Property. Playscapes are permissible at the sole discretion of the ACC. If allowed, playscapes must be properly sited and screened so as to minimize the visual and audio impact of the playscapes on adjacent properties.

**2.30 Decorations and Lighting.** A maximum of three (3) sculptures, birdbaths and birdhouses, fountains, or other decorative embellishments shall be permitted on a Lot, provided that such decorations: (i) blend in with the existing landscaping and residence constructed on the Lot; (ii) are no larger than three (3) feet in height above natural ground; (iii) are kept in good condition and repair, as determined in the sole and absolute discretion of the Board; (iv) do not cause embarrassment, discomfort and/or annoyance to other Owners, as determined in the sole and absolute discretion of the Board; and (v) do not contain any telephone numbers or commercial advertisements. Customary seasonal decorations for holidays are permitted without approval by the ACC but shall be removed within thirty (30) days of the applicable holiday. Outside lighting fixtures shall be placed so as to illuminate only the yard of the applicable Lot and so as not to affect or reflect into surrounding residences or yards. No mercury vapor, sodium or halogen light shall be installed on any Lot which is visible from any street unless otherwise approved by the ACC.

**2.31 Window Treatments.** An Owner may install window treatments inside the residence constructed on his or her Lot, provided that the window treatments, including drapes, blinds, shades or shutters, must appear to be (i) clear, (ii) white, (iii) near-white light neutral; or (iv) light wood tone when viewed from adjacent property. The use of newspaper, bed sheets, tablecloths, or other obviously non-drapery fabrics, aluminum foil, and reflective materials as window treatments are expressly prohibited.

Such Shared Mailboxes are hereby designated as Common Area, and the Association shall maintain the Shared Mailboxes in good condition and repair in accordance with United States Postal Service requirements. The costs incurred, or estimated to be incurred, by the Association for maintenance of the Shared Mailboxes shall be discharged through Assessments. Notwithstanding the foregoing, individual Owners are

required to replace the locks and/or keys as needed and are responsible for the cost associated therewith.

**2.33 Shared Driveways and Driveway Parking.** Unless otherwise approved by the Declarant or the Board, no vehicle may be parked on any road or street, including, without limitation, the Shared Driveways, within the Property unless in the event of an emergency. "Emergency" for purposes of the foregoing sentence shall mean an event which jeopardizes life or property. "Parked" as used herein shall be defined as a vehicle left unattended by a licensed operator for more than thirty (30) consecutive minutes. No vehicle may be parked on a Shared Driveway or driveway constructed on a Lot if the vehicle, when parked, would obstruct or otherwise block ingress and egress. This provision will not apply to Declarant or its designee during the Development Period.

**2.34 Guest Parking Reserves.** The Guest Parking Reserves exist for the exclusive use by guests of each Owner or Resident for vehicle parking for a limited duration, not to exceed twenty-four (24) consecutive hours unless in the event of an emergency. An "emergency" means an event which jeopardizes life or property. Any vehicle parked in the spaces within the Guest Parking Reserves must be parked legally and in such a manner that does not obstruct the free and unimpeded vehicular and pedestrian use of any portion of the roadways within the Property. No Owner or Resident vehicles will be permitted to park within the Guest Parking Reserves. The Guest Parking Reserves may be subject to Rules and Regulations regarding the use of the Guest Parking Reserves adopted from time to time by the Declarant during the Development Period and the Board thereafter.

**2.35 Master Water Meter and Fire Hydrants.** Each Owner acknowledges that the water and sewer lines, and fire hydrants, in the Property are owned and maintained by the Association, and as private utility lines, the City requires that the Property be served through a "master" meter (the "**Master Meter**").

**3.2 Fences; Sidewalks.** All fences and walls shall comply with all Applicable Law. Unless otherwise approved by the ACC, no fence, wall or hedge will be erected or maintained on any Lot nearer to the street than the front elevation of the residence constructed on the Lot, except for fences erected in conjunction with the model homes or sales offices. The ACC will have the sole discretion to determine the front elevation of the residence for the purpose of this *Section 3.2*. No chain-link, metal, vinyl or agricultural fences may be installed or maintained on a Lot, except by Declarant. No fence shall be less than six (6) feet in height or be greater than

eight (8) feet in height, unless installed by Declarant or required by Applicable Law. If required by the Plat, the Owner of each Lot shall construct, at such Owner's sole cost and expense and prior to occupying any Improvement, a sidewalk on such Owner's Lot, located and designed in conformance with the Plat. Each Owner must maintain all fences, except perimeter fencing, on such Owner's Lot in good condition, including but not limited to periodically re-staining all fences on such Owner's Lot using stain substantially similar to the stain applied to the fences as originally constructed (if any), as determined by the ACC. Any broken pickets, fallen or leaning panels must be repaired or replaced. In the event that a fence other than perimeter fencing on an Owner's Lot is replaced, the Owner is responsible for staining the new fence with stain substantially similar to the stain applied to the fences as original constructed (if any), as determined by the ACC. All fences that are Party Walls shall be subject to *Section 2.28* of this Declaration.

**3.3 Drainage.** There shall be no interference with the established drainage patterns over any of the Property, including the Lots, except by Declarant, unless adequate provision is made for proper drainage and such provision is approved in advance by the ACC. Specifically, and not by way of limitation, no Improvement, including landscaping, may be installed which impedes the proper drainage of water between Lots.

**3.4 Construction Activities.** The Restrictions will not be construed or applied so as to unreasonably interfere with or prevent normal construction activities during the construction of Improvements by an Owner (including Declarant or a Homebuilder) upon or within the Property. Specifically, no such construction activities will be deemed to constitute a nuisance or a violation of the Restrictions by reason of noise, dust, presence of vehicles or construction machinery, posting of signs or similar activities, provided that such construction is pursued to completion with reasonable diligence and conforms to usual construction practices in the area. In the event that construction upon any Lot does not conform to usual practices in the area as determined by the ACC in its sole and reasonable judgment, the ACC will have the authority to seek an injunction to stop such construction. In addition, if during the course of construction upon any Lot there is excessive accumulation of debris of any kind which would render the Lot or any portion thereof unsanitary, unsightly, offensive, or detrimental to it or any other portion of the Property, then the ACC may contract for or cause such debris to be removed, and the Owner of the Lot will be liable for all reasonable expenses incurred in connection therewith.

**3.5 Roofing.** The roofs of all buildings shall be approved by the ACC unless the Owner is replacing the roof with the same materials and color. Roofs of buildings may be constructed with "**Energy Efficiency Roofing**" with the advance written approval of the ACC. For the purpose of this *Section 3.5*, "**Energy Efficiency Roofing**" means shingles that are designed primarily to: (i) be wind and hail resistant; (ii) provide heating and cooling efficiencies greater than those provided by customary composite shingles; or (iii) provide solar generation capabilities. The ACC will not prohibit an Owner from installing Energy Efficient Roofing provided that the Energy Efficient Roofing shingles: (a) resemble the shingles used or otherwise authorized for use within the community; (b) are more durable than, and are of equal

or superior quality to, the shingles used or otherwise authorized for use within the community; and (c) match the aesthetics of adjacent property. An Owner who desires to install Energy Efficient Roofing will be required to comply with the architectural review and approval procedures set forth in the Restrictions. In conjunction with any such approval process, the Owner should submit information which will enable the ACC to confirm the criteria set forth in this *Section 3.5*. Any other type of roofing material shall be permitted only with the advance written approval of the ACC.

**3.6 Swimming Pools and Hot Tubs.** Unless otherwise approved in advance and in writing by the ACC, swimming pools and hot tubs are not permitted, including but not limited to a balcony, patio or Fenced Yard Area.

**3.7 Compliance with Setbacks and Easements.** No residence or Improvement may be constructed on any Lot nearer to a street or a Shared Driveway than the minimum building setback lines shown on the Plat and no Improvement shall be located on any drainage, utility or conservation easement, unless otherwise permitted pursuant to Applicable Law.

**3.8 Solar Energy Device.** A Solar Energy Device may be installed with the advance written approval of the ACC in accordance with the procedures and requirements set forth below:

**3.8.1 Application.** To obtain ACC approval of a Solar Energy Device, the Owner shall provide the ACC with the following information: (i) the proposed installation location of the Solar Energy Device; and (ii) a description of the Solar Energy Device, including the dimensions, manufacturer, and photograph or other accurate depiction (the "**Solar Application**"). A Solar Application may only be submitted by an Owner unless the Owner's tenant provides written confirmation at the time of submission that the Owner consents to the Solar Application. The Solar Application shall be submitted in accordance with the provisions of *Article 9* of this Declaration.

**3.8.2 Approval Process.** The ACC will review the Solar Application in accordance with the terms and provisions of *Article 9* of this Declaration. The ACC will approve a Solar Energy Device if the Solar Application complies with *Section 3.8.3* below **UNLESS** the ACC makes a written determination that placement of the Solar Energy Device, despite compliance with *Section 3.8.3*, will create a condition that substantially interferes with the use and enjoyment of the property within the Property by causing unreasonable discomfort or annoyance to persons of ordinary sensibilities. The ACC's right to make a written determination in accordance with the foregoing sentence is negated if all Owners of Lots immediately adjacent to the Owner/applicant provide written approval of the proposed placement. Any proposal to install a Solar Energy Device on Common Area or property owned or maintained by the Association must be approved in advance and in writing by the Board, and the Board need not adhere to this *Section 3.8* when considering any such request.

3.8.3 Approval Conditions. Unless otherwise approved in advance and in writing by the ACC, each Solar Application and each Solar Energy Device to be installed in accordance therewith must comply with the following:

(i) The Solar Energy Device must be located on the roof of the residence located on the Owner's Lot, entirely within a fenced area of the Owner's Lot, or entirely within a fenced patio located on the Owner's Lot. If the Solar Energy Device will be located on the roof of the residence, the ACC may designate the location for placement unless the location proposed by the Owner increases the estimated annual energy production of the Solar Energy Device, as determined by using a publicly available modeling tool provided by the National Renewable Energy Laboratory, by more than ten percent (10%) above the energy production of the Solar Energy Device if installed in the location designated by the ACC. If the Owner desires to contest the alternate location proposed by the ACC, the Owner should submit information to the ACC which demonstrates that the Owner's proposed location meets the foregoing criteria. If the Solar Energy Device will be located in the fenced area of the Owner's Lot or patio, no portion of the Solar Energy Device may extend above the fence line.

(ii) If the Solar Energy Device is mounted on the roof of the principal residence located on the Owner's Lot, then: (a) the Solar Energy Device may not extend higher than or beyond the roofline; (b) the Solar Energy Device must conform to the slope of the roof and the top edge of the Solar Device must be parallel to the roofline; and (c) the frame, support brackets, or visible piping or wiring associated with the Solar Energy Device must be silver, bronze or black.

3.9 Rainwater Harvesting Systems. A Rainwater Harvesting System may be installed with the advance written approval of the ACC.

3.9.1 Application. To obtain ACC approval of a Rainwater Harvesting System, the Owner shall provide the ACC with the following information: (i) the proposed installation location of the Rainwater Harvesting System; and (ii) a description of the Rainwater Harvesting System, including the color, dimensions, manufacturer, and photograph or other accurate depiction (the "**Rain System Application**"). A Rain System Application may only be submitted by an Owner unless the Owner's tenant provides written confirmation at the time of submission that the Owner consents to the Rain System Application.

3.9.2 Approval Process. The decision of the ACC will be made in accordance with *Article 9* of this Declaration. Any proposal to install a Rainwater Harvesting System on Common Area must be approved in advance and in writing by the Board, and the Board need not adhere to this *Section 3.9* when considering any such request.

3.9.3 Approval Conditions. Unless otherwise approved in advance and in writing by the ACC, each Rain System Application and each Rainwater Harvesting System to be installed in accordance therewith must comply with the following:

(i) The Rainwater Harvesting System must be consistent with the color scheme of the residence constructed on the Owner's Lot, as reasonably determined by the ACC.

(ii) The Rainwater Harvesting System does not include any language or other content that is not typically displayed on such a device.

(iii) The Rainwater Harvesting System is in no event located between the front of the residence constructed on the Owner's Lot and any adjoining or adjacent street.

(iv) There is sufficient area on the Owner's Lot to install the Rainwater Harvesting System, as reasonably determined by the ACC.

3.9.4 Guidelines. If the Rainwater Harvesting System will be installed on or within the side yard of a Lot, or would otherwise be visible from a street, the Common Area, or another Owner's Lot, the ACC may regulate the size, type, shielding of, and materials used in the construction of the Rainwater Harvesting System. Accordingly, when submitting a Rain System Application, the application should describe methods proposed by the Owner to shield the Rainwater Harvesting System from the view of any street, Common Area, or another Owner's Lot. When reviewing a Rain System Application for a Rainwater Harvesting System that will be installed on or within the side yard of a Lot, or would otherwise be visible from a street, the Common Area, or another Owner's Lot, any additional requirements imposed by the ACC to regulate the size, type, shielding of, and materials used in the construction of the Rainwater Harvesting System, may not prohibit the economic installation of the Rainwater Harvesting System, as reasonably determined by the ACC.

3.10 Xeriscaping. As part of the installation and maintenance of landscaping on an Owner's Lot, an Owner may submit plans for and install drought tolerant landscaping ("Xeriscaping") upon written approval by the ACC. All Owners implementing Xeriscaping shall comply with the following:

3.10.1 Application. Approval by the ACC is required prior to installing Xeriscaping. To obtain the approval of the ACC for Xeriscaping, the Owner shall provide the ACC with the following information: (i) the proposed site location of the Xeriscaping on the Owner's Lot; (ii) a description of the Xeriscaping, including the types of plants, border materials, hardscape materials and photograph or other accurate depiction and (iii) the percentage of yard to be covered with gravel, rocks and cacti (the "Xeriscaping Application"). A Xeriscaping Application may only be submitted by an Owner unless the Owner's tenant provides written confirmation at the time of submission that the Owner consents to the

Xeriscaping Application. The ACC is not responsible for: (a) errors or omissions in the Xeriscaping Application submitted to the ACC for approval; (b) supervising installation or construction to confirm compliance with an approved Xeriscaping Application or (c) the compliance of an approved application with Applicable Law.

3.10.2 Approval Conditions. Unless otherwise approved in advance and in writing by the ACC, or otherwise required to be approved under Applicable Law, each Xeriscaping Application and all Xeriscaping to be installed in accordance therewith must comply with the following:

(i) The Xeriscaping must be aesthetically compatible with other landscaping in the community as reasonably determined by the ACC. For purposes of this *Section 3.10*, "aesthetically compatible" shall mean overall and long-term aesthetic compatibility within the community. For example, an Owner's Lot plan may be denied if the ACC determines that: (a) the proposed Xeriscaping would not be harmonious with already established turf and landscaping in the overall community; and/or (b) the use of specific turf or plant materials would result in damage to or cause deterioration of the turf or landscaping of an adjacent property Owner, resulting in a reduction of aesthetic appeal of the adjacent property Owner's Lot.

(ii) No Owners shall install gravel, rocks or cacti that in the aggregate encompass over ten percent (10%) of such Owner's front yard or ten percent (10%) of such Owner's back yard.

(iii) The Xeriscaping must not attract diseases and insects that are harmful to the existing landscaping on neighboring Lots, as reasonably determined by the ACC.

3.10.3 Process. The decision of the ACC will be made within a reasonable time, or within the time period otherwise required by the principal deed restrictions which govern the review and approval of improvements. A Xeriscaping Application submitted to install Xeriscaping on property owned by the Association or property owned in common by members of the Association will not be approved. Any proposal to install Xeriscaping on property owned by the Association or property owned in common by members of the Association must be approved in advance and in writing by the Board, and the Board need not adhere to the requirements set forth in this *Section 3.10* when considering any such request.

3.10.4 Approval. Each Owner is advised that if the Xeriscaping Application is approved by the ACC, installation of the Xeriscaping must: (i) strictly comply with the Xeriscaping Application; (ii) commence within thirty (30) days of approval; and (iii) be diligently prosecuted to completion. If the Owner fails to cause the Xeriscaping to be installed in accordance with the approved Xeriscaping Application, the ACC may require the Owner to:

(a) modify the Xeriscaping Application to accurately reflect the Xeriscaping installed on the Property; or (b) remove the Xeriscaping and reinstall the Xeriscaping in accordance with the approved Xeriscaping Application. Failure to install Xeriscaping in accordance with the approved Xeriscaping Application or an Owner's failure to comply with the post-approval requirements constitutes a violation of this Declaration and may subject the Owner to fines and penalties. Any requirement imposed by the ACC to resubmit a Xeriscaping Application or remove and relocate Xeriscaping in accordance with the approved Xeriscaping Application shall be at the Owner's sole cost and expense.

**3.11 Water Quality Facilities, Drainage Facilities and Drainage Ponds.** The Property may include, now or in the future, one or more water quality facilities, sedimentation, drainage and detention facilities, or ponds which serve all or a portion of the Property and are inspected, maintained and administered by the Association in accordance with all Applicable Law. Access to these facilities and ponds is limited to persons engaged by the Association, or its respective agents to periodically maintain such facilities. Each Owner is advised that the water quality facilities, sedimentation, drainage and detention facilities and ponds are an active utility feature integral to the proper operation of the Property and may periodically hold standing water. Each Owner is advised that entry into the water quality facilities, sedimentation, drainage and detention facilities or ponds may result in injury and is a violation of the Rules and Regulations, unless otherwise approved by the Association.

#### **ARTICLE 4 DISCLOSURES**

This *Article 4* discloses selective features of the Property or Common Area that may not be obvious to potential Owners and Residents. Because features may change over time, no disclosure in this *Article 4* should be relied upon without independent confirmation.

**4.1 Service Contracts.** Declarant may have contracted, on behalf of the Owner, for one or more services to be provided by vendors to the residences on a contract basis, such as intrusion monitoring and cable television. In that event, whether or not an Owner chooses to use the service, the Owner is required to pay for its share of the contract for the contract period. The Association may serve as the conduit for the service fees and payments, which may be considered Regular Assessments or Utility Assessments or Individual Assessments. However, the Association is not the service provider and has no responsibility or liability for the availability or quality of the service, or for the maintenance, repair, or replacement of the wires, conduits, equipment, or other fittings relating to the contract service.

**4.2 Adjacent Thoroughfares.** The Property is located adjacent to thoroughfares that may be affected by traffic and noise from time to time and may be improved and/or widened in the future.

**4.3 Fire Sprinkler Disclosure.** The residences may be constructed with a fire sprinkler system. If sprinklers are present, water lines and sprinkler heads may be in the

ceilings above rooms in the residence. This disclosure is given because damage to, or a malfunction of, a water line or sprinkler head may harm or destroy real and personal property. Each Owner is solely responsible for all of the following:

- (i) determining the location and proper care of the sprinkler equipment, water lines and sprinkler heads in their residence;
- (ii) preserving the integrity and functionality of the portion of the fire sprinkler system in their residence;
- (iii) instructing each Resident, invitees and contractors about the care and protection of the sprinkler system, including any applicable rules adopted by the Board;
- (iv) any damage to their residence and/or any personal property (such as furnishings and clothing) caused by the functioning or malfunctioning of any component of the sprinkler system in or serving their residence; and
- (v) complying with any municipal or other regulatory inspection requirements, at such Owner's expense.

Components of a fire sprinkler system may be located in the attic portion of the residence. If the attic is also the location of air conditioning equipment or other equipment that requires periodic servicing or repair, to ensure protection of the water lines and sprinkler heads, the Owner is advised to closely supervise all persons using the attic.

**The Association does not inspect or fix water lines and sprinkler heads, if any, in your residence.**

**4.4 Adjacent Use.** No representations are made regarding the use of adjacent property.

**4.5 Outside Conditions.** Since in every neighborhood there are conditions that different people may find objectionable, it is acknowledged that there may be conditions outside of the Property that an Owner or Resident may find objectionable, and it shall be the sole responsibility of an Owner or Resident to become acquainted with neighborhood conditions that could affect the Property.

**4.6 Concrete.**

**4.6.1 Cracks.** Minor cracks in poured concrete, including foundations, garage floors, sidewalks, driveways and patios, are inevitable as a result of the natural movement of soil (expansion and contraction), shrinkage during the curing of the concrete, and settling of a residence.

RP-2021-137874

4.6.2 Exposed Floors. This *Section 4.6.2* applies to residences with exposed concrete floors. This notice is given because Owners may be inexperienced with concrete and expect it to be as forgiving as wood or sheetrock. In deciding whether, when, and how to fill cracks in exposed concrete floors, an Owner is hereby made aware that the color and texture of the fill material may not match the rest of the concrete floor. On some exposed concrete floors, fill materials make minor cracks more noticeable than if the cracks had been left in their natural state. In addition, an Owner is hereby made aware that any specification for polished concrete means that the concrete will be polished, but this does not mean an Owner will be able to actually see their reflection in the floor.

4.7 Construction Activities. Declarant will be constructing portions of the Property and engaging in other construction activities related to the construction of residences and Common Area. Such construction activities may, from time to time, produce certain conditions on the Property, including without limitation: (a) noise or sound that is objectionable because of its volume, duration, frequency or shrillness; (b) smoke; (c) noxious, toxic or corrosive fumes or gases; (d) obnoxious odors; (e) dust, dirt or flying ash; (f) unusual fire or explosion hazards; (g) temporary interruption of utilities; and/or (h) other conditions that may threaten the security or safety of persons within the Property or the Common Area. Notwithstanding the foregoing, all Owners and Residents agree that such conditions on the Property or the Common Area resulting from construction activities shall not be deemed a nuisance and shall not cause Declarant and its agents to be deemed in violation of any provision of the Declaration.

4.8 Moisture. Improvements within a residence may trap humidity created by general use and occupancy. As a result, condensation may appear on the interior portion of windows and glass surfaces and fogging of windows and glass surfaces may occur due to temperature disparities between the interior and exterior portions of the windows and glass. If left unattended and not properly maintained by Owners and Residents, the condensation may increase resulting in staining, damage to surrounding seals, caulk, paint, wood work and sheetrock, and potentially, mildew and/or mold.

4.9 Mold and/or Mildew. Mold and/or mildew can grow in any portion of a residence that is exposed to elevated levels of moisture including, but not limited to, those portions of a residence in which HVAC condenser units are located. Each Owner is advised to regularly inspect the Owner's residence for the existence of mold, mildew and/or water intrusion (except when the water intrusion is part of the normal functioning of Improvements and appliances such as showers, sinks, dishwashers and other similar appliances and Improvements) and/or damage.

4.10 Encroachments. Improvements may have been constructed on adjoining lands that encroach onto the Property. Declarant gives no representations or warranties as to property rights, if any, created by any such encroachments.

4.11 **Budgets.** Any budgets of the Association provided by the Declarant are based on estimated expenses only without consideration for the effects of inflation and may increase or decrease significantly when the actual expenses become known.

4.12 **Light and Views.** The natural light available to and views from a residence or Lot can change over time due to among other things, additional development and the removal or addition of landscaping. **NATURAL LIGHT AND VIEWS ARE NOT PROTECTED.**

4.13 **Schools.** No representations are being made regarding which schools may now or in the future serve the Property.

4.14 **Urban Environment.** The Property is located in an urban environment. Sound and vibrations may be audible and felt from such things as sirens, whistles, horns, the playing of music, people speaking loudly, trash being picked up, deliveries being made, equipment being operated, dogs barking, construction activity, building and grounds maintenance being performed, automobiles, buses, trucks, ambulances, airplanes, and other generators of sound and vibrations typically found in an suburban area. In addition to sound and vibration, there may be odors and light in urban areas.

4.15 **Water Runoff.** The Property may still be subject to erosion and/or flooding during unusually intense or prolonged periods of rain. In addition, water may pond on various portions of the Property or the Common Area having impervious surfaces, such as rooftop terraces, patios, and balconies, as applicable.

4.16 **Photography of the Property.** Declarant retains the right to obtain and use photography of the Property for publication and advertising purposes.

4.17 **Changes to Street Names and Addresses.** Declarant retains the right to change, in its sole discretion, the Property name and the street names and addresses in or within the Property including the street address of the residences and/or Lots before or after conveyance to any third-party.

4.18 **Plans.** Any advertising materials, brochures, renderings, drawings, and the like, furnished by Declarant to Owner which purport to depict the Improvements to be constructed on any Lot are merely approximations and do not necessarily reflect the actual as-built conditions of the same.

4.19 **Location of Utilities.** Declarant makes no representation as to the location of mailboxes, utility boxes, street lights, fire hydrants or storm drain inlets or basins.

4.20 **Wood.** Natural wood has considerable variation due to its organic nature. There may be shades of white, red, black or even green in areas. In addition, mineral streaks may also be visible. Grain pattern or texture will vary from consistent to completely irregular; wood from different areas of the same tree can also have variations in pattern or texture. It is these

variations in wood that add to its aesthetic appeal. These variations in grain will in turn accept stain in varying amounts, which will show throughout the wood products from one door to the next, one panel to the next or one piece of wood to the next. Also, cabinet finishes (including gloss and/or matte finishes) will not be entirely consistent and some minor irregularities will be apparent. Additionally, wood and wood products may be subject to warping, splitting, swelling and/or delamination, and surfaces may weather differently due to the type of wood, its location in or on a residence, and other factors. Wood floors may require more maintenance than some man-made materials. Owners of residences with wood floors should educate themselves about wood floor care.

**4.21 Stone.** Veins and colors of any marble, slate or other stone if any, within a residence, may vary drastically from one piece of stone to another. Each piece is different. Marble, granite, slate and other stone can also have chips and shattering veins, which look like scratches. The thickness of the joints between marble, granite, slate and other stone and/or other materials against which they have been laid will vary and there will be irregularities in surface smoothness. Marble and other stone finishes may be dangerously slippery and Declarant assumes no responsibility for injuries sustained as a result of exposure to or use of such materials. Periodic use of professionally approved and applied sealant is needed to ensure proper maintenance of the marble, granite, slate and other stone and it is the Owner's responsibility to properly maintain these materials. Marble, granite and other stone surfaces may scratch, chip or stain easily. Such substances, as part of their desirable noise attenuating properties, may flex or move slightly in order to absorb impacts. Such movement may in turn cause grout to crack or loosen or cause some cracking in the stone flooring which may need to be repaired as part of normal home maintenance.

**4.22 Chemicals.** Each residence will contain products that have water, powders, solids and industrial chemicals, which will be used in construction. The water, powders, solids and industrial chemicals will and do contain mold, mildew, fungus, spores and chemicals that may cause allergic or other bodily reactions in certain individuals. Leaks, wet flooring and moisture will contribute to the growth of molds, mildew, fungus or spores. Declarant is not responsible for any illness or allergic reactions that a person may experience as a result of mold, mildew, fungus or spores. It is the responsibility of the Owner to keep their residence clean, dry, well ventilated and free of contamination.

**4.23 Marketing.** Declarant's use of a sales center and/or model homes or reference to other construction by Declarant is intended only to demonstrate the quality of finish detail, the basic floor plans and styles of the residences available for purchase. A residence may not conform to any model in any respect, or contain some or all of the amenities featured, such as furnishings and appliances. Likewise, any model of a residence is intended only to demonstrate approximate size and basic architectural features. The residences, as completed, may not conform to the models displayed by Declarant. Declarant may also have shown prospective purchasers model homes, floor plans, sketches, drawings, and scale models of residences ("**Promotional Aids**"). Owner understands and agrees that the Promotional Aids are

conceptual, subject to change, for display purposes only, and may not be incorporated in to the residences.

**ARTICLE 5**  
**EASTWOOD GREEN COMMUNITY ASSOCIATION, INC.**

**5.1 Organization.** The Association is a nonprofit corporation created for the purposes, charged with the duties, and vested with the powers of a Texas nonprofit corporation. Neither the Certificate nor Bylaws will for any reason be amended or otherwise changed or interpreted so as to be inconsistent with this Declaration.

**5.2 Membership.**

5.2.1 Mandatory Membership. Any person or entity, upon becoming an Owner, will automatically become a Member of the Association. Membership will be appurtenant to and will run with the ownership of the Lot that qualifies the Owner thereof for membership, and membership may not be severed from the ownership of the Lot, or in any way transferred, pledged, mortgaged or alienated, except together with the title to such Lot. Within thirty (30) days after acquiring legal title to a Lot, if requested by the Board, an Owner must provide the Association with: (i) a copy of the recorded deed by which the Owner has acquired title to the Lot; (ii) the Owner's address, email address, phone number, and driver's license number, if any; (iii) any Mortgagee's name and address; and (iv) the name, phone number, and email address of any Resident other than the Owner.

**If you acquire a Lot you automatically become a member of the Association.**  
**Membership is Mandatory!**

5.2.2 Easement of Enjoyment – Common Area. Every Member will have a right and easement of enjoyment in and to all of the Common Area and an access easement by and through any Common Area, which easements will be appurtenant to and will pass with the title to such Member's Lot, subject to the following restrictions and reservations:

(i) The right of the Declarant, or the Declarant's designee, to cause such Improvements and features to be constructed upon the Common Area, as determined from time to time by the Declarant, in the Declarant's sole and absolute discretion;

(ii) The right of the Association to suspend the Member's right to use the Common Area for any period during which any Assessment against such Member's Lot remains past due and for any period during which such member is in violation of any provision of the Restrictions;

(iii) The right of the Declarant during the Development Period, and the Board thereafter, to dedicate or transfer all or any part of the Common Area to any public agency, authority or utility for any purpose;

(iv) With the advance written approval of the Declarant during the Development Period, and the right of Board to grant easements or licenses over and across the Common Area;

(v) With the advance written approval of the Declarant during the Development Period, the right of the Association to borrow money for the purpose of improving the Common Area and, in furtherance thereof, mortgage the Common Area;

(vi) The right of the Declarant, during the Development Period, and the Board, with the advance written approval of the Declarant during the Development Period, to promulgate Rules and Regulations regarding the use of the Common Area and any Improvements thereon; and

(vii) The right of the Association to contract for services with any third parties on such terms as the Board may determine, except that during the Development Period, all such contracts must be approved in advance and in writing by the Declarant.

**5.3 Governance.** As more specifically described in the Bylaws, the Board will consist of at least three (3) persons elected at the annual meeting of the Association, or at a special meeting called for such purpose. **Notwithstanding the foregoing provision or any provision in this Declaration to the contrary, Declarant will have the sole right to appoint and remove all members of the Board until the tenth (10<sup>th</sup>) anniversary of the date this Declaration is Recorded. Not later than the tenth (10<sup>th</sup>) anniversary of the date this Declaration is Recorded, or sooner as determined by Declarant, the Board shall hold a meeting of Members of the Association for the purpose of electing one-third (1/3) of the Board (the "Initial Member Election Meeting"), which Board member(s) must be elected by Owners other than the Declarant. Declarant shall continue to have the sole right to appoint and remove two-thirds (2/3) of the Board from and after the Initial Member Election Meeting until expiration or termination of the Development Period.**

**5.4 Voting Rights.** The right to cast votes and the number of votes which may be cast for election of members to the Board (except as provided by *Section 5.3*) and on all other matters to be voted on by the Members will be calculated as set forth below.

(i) **Owner Votes.** The Owner of each Lot will have one (1) vote for each Lot so owned.

(ii) Declarant Votes. In addition to the votes to which Declarant is entitled by reason of *Section 5.4(i)*, for every one (1) vote outstanding in favor of any other person or entity, Declarant will have four (4) additional votes until the expiration or termination of the Development Period.

(iii) Co-Owner Votes. When more than one person or entity owns a portion of the fee simple interest in any Lot, all such persons or entities will be Members. The vote or votes (or fraction thereof) for such Lot will be exercised by the person so designated in writing to the Secretary of the Association by the Owner of such Lot, and in no event will the vote for such Lot exceed the total votes to which such Lot is otherwise entitled under this *Section 5.4*.

**5.5 Powers.** The Association has the powers of a Texas nonprofit corporation. It further has the power to do and perform any and all acts that may be necessary or proper, for or incidental to, the exercise of any of the express powers granted to it by Applicable Law or this Declaration. Without in any way limiting the generality of the two preceding sentences, the Board, acting on behalf of the Association, has the following powers at all times:

5.5.1 Rules and Regulations, Bylaws and Community Manual. To make, establish and promulgate, and in its discretion to amend from time to time, or repeal and re-enact, such Rules and Regulations, policies, Bylaws and the Community Manual, as applicable, which are not in conflict with this Declaration, as it deems proper, covering any and all aspects of the Property or the Common Area (including the operation, maintenance and preservation thereof) or the Association. Any Rules and Regulations, policies, the Bylaws and the Community Manual and any modifications thereto proposed by the Board must be approved in advance and in writing by the Declarant until expiration or termination of the Development Period.

5.5.2 Insurance. To obtain and maintain in effect, policies of insurance that, in the opinion of the Board, are reasonably necessary or appropriate to carry out the Association's functions.

5.5.3 Records. To keep books and records of the Association's affairs, and to make such books and records, together with current copies of the Restrictions available for inspection by the Owners, Mortgagees, and insurers or guarantors of any Mortgage upon request during normal business hours.

5.5.4 Assessments. To levy and collect Assessments, as provided in *Article 7* below.

5.5.5 Right of Entry and Enforcement. To enter at any time without notice in an emergency (or in the case of a non-emergency, after twenty-four (24) hours written notice), without being liable to any Owner or Resident, upon any Lot and into any Improvement thereon for the purpose of enforcing the Restrictions or for the purpose of maintaining or

repairing any area, Improvement or other facility to conform to the Restrictions. The expense incurred by the Association in connection with the entry upon any Lot and the maintenance and repair work conducted thereon or therein will be a personal obligation of the Owner of the Lot so entered, will be deemed an Individual Assessment against such Lot, will be secured by a lien upon such Lot, and will be enforced in the same manner and to the same extent as provided in *Article 7* hereof for Assessments. The Association will have the power and authority from time to time, in its own name and on its own behalf, or in the name of and on behalf of any Owner who consents thereto, to commence and maintain actions and suits to enforce, by mandatory injunction or otherwise, or to restrain and enjoin, any breach or threatened breach of the Restrictions. The Association is also authorized to settle claims, enforce liens and take all such action as it may deem necessary or expedient to enforce the Restrictions; provided, however, that the Board will never be authorized to expend any Association funds for the purpose of bringing suit against Declarant, or its successors or assigns. The Association may not alter or demolish any Improvements on any Lot other than Common Area in enforcing these Restrictions before a judicial order authorizing such action has been obtained by the Association, or before the written consent of the Owner(s) of the affected Lot(s) has been obtained. **EACH SUCH OWNER AND RESIDENT WILL INDEMNIFY AND HOLD HARMLESS THE ASSOCIATION, ITS OFFICERS, DIRECTORS, EMPLOYEES AND AGENTS FROM ANY COST, LOSS, DAMAGE, EXPENSE, LIABILITY, CLAIM OR CAUSE OF ACTION INCURRED OR THAT MAY ARISE BY REASON OF THE ASSOCIATION'S ACTS OR ACTIVITIES UNDER THIS SECTION 5.5.5 (INCLUDING ANY COST, EXPENSE, LIABILITY, CLAIM OR CAUSE OF ACTION ARISING OUT OF THE ASSOCIATION'S NEGLIGENCE IN CONNECTION THEREWITH), EXCEPT FOR SUCH COST, LOSS, DAMAGE, EXPENSE, LIABILITY, CLAIM OR CAUSE OF ACTION ARISING BY REASON OF THE ASSOCIATION'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT. "GROSS NEGLIGENCE" DOES NOT INCLUDE SIMPLE NEGLIGENCE, CONTRIBUTORY NEGLIGENCE OR SIMILAR NEGLIGENCE SHORT OF ACTUAL GROSS NEGLIGENCE.**

5.5.6 Legal and Accounting Services. To retain and pay for legal and accounting services necessary or proper in the operation of the Association.

5.5.7 Conveyances. To grant and convey to any person or entity the real property and/or other interest, including fee title, leasehold estates, easements, rights-of-way or mortgages, out of, in, on, over, or under any Common Area for the purpose of constructing, erecting, operating or maintaining the following:

- (ii) Access Gates, Shared Driveways, Guest Parking Reserves, Landscape Easement Area, perimeter fencing, roads, sidewalks, signs, street lights, walks, driveways, trails and paths;

- (iv) Sewers, water systems, storm water drainage systems, sprinkler systems and pipelines; and/or
- (v) Any similar Improvements or facilities.

Nothing set forth above, however, will be construed to permit use or occupancy of any Improvement or other facility in a way that would violate applicable use and occupancy restrictions imposed by the Restrictions or by Applicable Law. In addition, until expiration or termination of the Development Period, any grant or conveyance under this *Section 5.5.7* must be approved in advance and in writing by the Declarant. In addition, the Association is (with the advance written approval of the Declarant during the Development Period) and the Declarant are expressly authorized and permitted to convey easements over and across Common Area for the benefit of property not otherwise subject to the terms and provisions of this Declaration.

5.5.8 Manager. To retain and pay for the services of a person or firm (the “**Manager**”), which may include Declarant or any affiliate of Declarant, to manage and operate the Association, including its property, to the extent deemed advisable by the Board. Personnel may be employed directly by the Association or may be furnished by the Manager. To the extent permitted by Applicable Law, the Board may delegate any other duties, powers and functions to the Manager. In addition, the Board or its Manager may adopt transfer fees, resale certificate fees or any other fees associated with the provision of management services to the Association or its Members. **THE MEMBERS HEREBY RELEASE THE ASSOCIATION AND THE MEMBERS OF THE BOARD AND COMMITTEE MEMBERS FROM LIABILITY FOR ANY OMISSION OR IMPROPER EXERCISE BY THE MANAGER OF ANY SUCH DUTY, POWER OR FUNCTION SO DELEGATED.**

5.5.9 Property Services. To pay for water, sewer, garbage removal, street lights, landscaping, gardening and all other utilities, services, repair and maintenance for any portion of the Property, Common Area, private or public recreational facilities, easements, roads, roadways, rights-of-ways, signs, parks, parkways, median strips, sidewalks, paths, trails, ponds, and lakes.

5.5.10 Other Services and Properties. To obtain and pay for any other property services, permits or other governmental approvals, and to pay any other taxes or assessments that the Association or the Board is required or permitted to secure or to pay for pursuant to Applicable Law or under the terms of the Restrictions or as determined by the Board.

5.5.11 Construction on Common Area. To construct new Improvements or additions to any property owned, leased, or licensed by the Association, including but not

limited to the Common Area, subject to the approval of the Board and the Declarant until expiration or termination of the Development Period.

5.5.12 Contracts. To enter into Bulk Rate Contracts or other contracts or licenses with Declarant or any third party on such terms and provisions as the Board will determine, to operate and maintain any Common Area, Improvement, or other property, or to provide any service, including but not limited to cable, utility, or telecommunication services, or perform any function on behalf of Declarant, the Board, the Association, or the Members. During the Development Period, all Bulk Rate Contracts must be approved in advance and in writing by the Declarant.

5.5.13 Property Ownership. To acquire, own and dispose of all manner of real and personal property, including habitat, whether by grant, lease, easement, gift or otherwise. During the Development Period, all acquisitions and dispositions of the Association hereunder must be approved in advance and in writing by the Declarant.

5.5.14 Allocation of Votes. To determine votes when permitted pursuant to *Section 5.4* above.

5.5.15 Authority with Respect to the Restrictions. To do any act, thing or deed that is necessary or desirable, in the judgment of the Board, to implement, administer or enforce any of the Restrictions. Any decision by the Board to delay or defer the exercise of the power and authority granted by this *Section 5.5.15* will not subsequently in any way limit, impair or affect ability of the Board to exercise such power and authority.

5.5.16 Membership Privileges. To establish Rules and Regulations governing and limiting the use of the Common Area and any Improvements thereon. All Rules and Regulations governing and limiting the use of the Common Area and any Improvements thereon must be approved in advance and in writing by the Declarant during the Development Period.

**5.6 Conveyance of Common Area to the Association**. The Association may acquire, hold, and dispose of any interest in tangible and intangible personal property and real property. Declarant, and its assignees, and Fenway, and its assignees, reserve the right, from time to time and at any time, to designate, convey, assign or transfer by written and Recorded instrument property being held by the Declarant or Fenway for the benefit of the Association. Upon the Recording of a designation, the portion of the property identified therein will be considered Common Area for the purpose of this Declaration and the Association shall have an easement over and across the Common Area necessary or required to discharge the Association's obligations under this Declaration, subject to any terms and limitations to such easement set forth in the designation. Declarant, and its assignees, and Fenway, and its assignees, may also assign, transfer or convey to the Association interests in real or personal property within or for the benefit of the Property, for the Property and the general public, or otherwise, as determined

RP-2021-137874

in the sole and absolute discretion of the Declarant or Fenway. All or any real or personal property assigned, transferred and/or conveyed by the Declarant or Fenway to the Association shall be deemed accepted by the Association upon Recordation, and without further action by the Association, and shall be considered Common Area without regard to whether such real or personal property is designated by the Declarant or Fenway as Common Area. If requested by the Declarant or Fenway, the Association will execute a written instrument, in a form requested by the Declarant, evidencing acceptance of such real or personal property; provided, however, execution of a written consent by the Association shall in no event be a precondition to acceptance by the Association. The assignment, transfer, and/or conveyance of real or personal property to the Association may be by deed without warranty, may reserve easements in favor of the Declarant or a third party designated by Declarant over and across such property, and may include such other provisions, including restrictions on use, determined by the Declarant, in the Declarant's sole and absolute discretion. Property assigned, transferred, and/or conveyed to the Association may be improved or unimproved and may consist of fee simple title, easements, leases, licenses, or other real or personal property interests. Upon Declarant's written request, the Association will re-convey to Declarant or Fenway any unimproved real property that Declarant or Fenway originally conveyed to the Association for no payment.

**5.7 Indemnification.** To the fullest extent permitted by Applicable Law but without duplication (and subject to) any rights or benefits arising under the Certificate or Bylaws of the Association, the Association will indemnify any person who was, or is, a party, or is threatened to be made a party to any threatened pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative by reason of the fact that such person is, or was, a director, officer, committee member, employee, servant or agent of the Association against expenses, including attorneys' fees, reasonably incurred by such person in connection with such action, suit or proceeding if it is found and determined by the Board or a court of competent jurisdiction that he or she: (i) acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interests of the Association; or (ii) with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful. The termination of any action, suit or proceeding by settlement, or upon a plea of *nolo contendere* or its equivalent, will not of itself create a presumption that the person did not act in good faith or in a manner which was reasonably believed to be in, or not opposed to, the best interests of the Association or, with respect to any criminal action or proceeding, had reasonable cause to believe that his or her conduct was unlawful.

**5.8 Insurance.** The Board may purchase and cause to be maintained, at the expense of the Association, insurance on behalf of any person who is acting as a director, officer, committee member, employee, servant or agent of the Association against any liability asserted against or incurred by such person in any such capacity, or arising out of such person's status as such, whether or not the Association would have the power to indemnify such person against such liability or otherwise.

**5.9 Bulk Rate Contracts.** Without limitation on the generality of the Association powers set out in *Section 5.5* hereinabove (except that during the Development Period, all Bulk Rate Contracts must be approved in advance and in writing by the Declarant), the Association will have the power to enter into Bulk Rate Contracts at any time and from time to time. The Association may enter into Bulk Rate Contracts with any service providers chosen by the Board (including Declarant, and/or any entities in which Declarant, or the owners or partners of Declarant are owners or participants, directly or indirectly). The Bulk Rate Contracts may be entered into on such terms and provisions as the Board may determine in its sole and absolute discretion. The Association may, at its option and election, add the charges payable by such Owner under such Bulk Rate Contract to the Assessments (Regular, Special, Utility or Individual, as the case may be) against such Owner's Lot. In this regard, it is agreed and understood that, if any Owner fails to pay any charges due by such Owner under the terms of any Bulk Rate Contract, then the Association will be entitled to collect such charges by exercising the same rights and remedies it would be entitled to exercise under this Declaration with respect to the failure by such Owner to pay Assessments, including without limitation the right to foreclose the lien against such Owner's Lot which is reserved under the terms and provisions of this Declaration. In addition, in the event of nonpayment by any Owner of any charges due under any Bulk Rate Contract and after the lapse of at least twelve (12) days since such charges were due, the Association may, upon five (5) days' prior written notice to such Owner (which may run concurrently with such twelve (12) day period), in addition to all other rights and remedies available pursuant to Applicable Law, terminate, in such manner as the Board deems appropriate, any utility service or other service provided at the cost of the Association and not paid for by such Owner (or the Resident of such Owner's Lot) directly to the applicable service or utility provider. Such notice will consist of a separate mailing or hand delivery at least five (5) days prior to a stated date of termination, with the title "termination notice" or similar language prominently displayed on the notice. The notice will include the office or street address where the Owner (or the Resident of such Owner's Lot) can make arrangements for payment of the bill and for re-connection or re-institution of service. No utility or cable television service will be disconnected on a day, or immediately preceding a day, when personnel are not available for the purpose of collection and reconnecting such services.

**5.10 Protection of Declarant's Interests.** Despite any assumption of control of the Board by Owners other than Declarant, until the expiration or termination of the Development Period, the Board is prohibited from taking any action which would discriminate against Declarant, or which would be detrimental to the sale of Lots or any other portion of the Property owned by Declarant or Fenway. Declarant shall be entitled to determine, in its sole and absolute discretion, whether any such action discriminates or is detrimental to Declarant. The Board will be required to continue the same level and quality of maintenance, operations and services as that provided immediately prior to assumption of control of the Board by Owners other than Declarant until the expiration or termination of the Development Period.

**5.11 Administration of Common Area.** The administration of the Common Area by the Association shall be in accordance with the provisions of Applicable Law and the

RP-2021-137874

Restrictions, and of any other agreements, documents, amendments or supplements to the foregoing which may be duly adopted or subsequently required by any institutional or governmental lender, purchaser, insurer or guarantor of mortgage loans (including, for example, the Federal Home Loan Mortgage Corporation) or by any governmental or quasi-governmental agency having regulatory jurisdiction over the Common Area or by any title insurance company selected by Declarant or Fenway to insure title to any portion of the Common Area.

**5.12 Right of Action by Association.** The Association shall not have the power to institute, defend, intervene in, settle or compromise litigation, arbitration or other proceedings: (i) in the name of or on behalf of any Lot Owner (whether one or more); or (ii) pertaining to a Claim, as defined in *Section 14.1* below, relating to the design or construction of Improvements on a Lot (whether one or more). This *Section 5.12* may not be amended or modified without Declarant's written and acknowledged consent and Members entitled to cast at least one hundred percent (100%) of the total number of votes of the Association, which must be part of the Recorded amendment instrument.

**5.13 Shared Driveways and Sidewalks.** The Shared Driveways shall provide perpetual access across the Property for the Association, the Owners and Residents, and their invitees, police and other emergency vehicles, public and private utility maintenance and service personnel, solid waste collection services, the U.S. Postal Service, and government employees in pursuit of their official duties. Access to the Shared Driveways for the persons and entities referenced in the preceding sentence shall be reasonably provided by the Association. Any Shared Driveways and sidewalks located within the Property are Common Area and are administered and maintained by the Association. The Association, acting through the Board, has the express authority to adopt, amend, repeal, and enforce Rules and Regulations for use of the Shared Driveways, including but not limited to: (i) identification of vehicles used by Owners, Residents and their guests; (ii) designation of parking or no-parking areas; (iii) limitations or prohibitions on curbside parking; (iv) removal or prohibition of vehicles that violate applicable Rules and Regulations; and (v) fines for violations of applicable Rules and Regulations.

## ARTICLE 6 INSURANCE

**6.1 Insurance.** Each Owner will be required to purchase and maintain commercially standard insurance on the Improvements located upon such Owner's Lot. The Association will not be required to maintain insurance on the Improvements constructed upon any Lot. The Association may, however, obtain such insurance as it may deem necessary, including but not limited to such policies of liability and property damage insurance as the Board, in its discretion, may deem necessary. Insurance premiums for such policies will be a common expense to be included in the Assessments levied by the Association. The acquisition of insurance by the Association will be without prejudice to the right and obligation of any Owner

to obtain additional individual insurance. During the Development Period, Declarant reserves the right to satisfy the insurance obligations of the Association with a master insurance program controlled by Declarant.

**ARE YOU COVERED?**

**The Association will not provide insurance which covers an Owner's Lot or any Improvements or personal property located on a Lot.**

**6.2 Restoration.** In the event of any fire or other casualty, unless otherwise approved by the ACC, the Owner will promptly repair, restore and replace any damaged or destroyed structures to their same exterior condition existing prior to the damage or destruction thereof. The approval of the ACC shall not be required to restore Improvements to their same exterior condition existing prior to the damage or destruction thereof. Such repair, restoration or replacement will be commenced and completed in a good and workmanlike manner using exterior materials substantially similar to those originally used in the structures damaged or destroyed. To the extent that the Owner fails to commence such repair, restoration or replacement of substantial or total damage or destruction within one hundred and twenty (120) days after the occurrence of such damage or destruction, and thereafter prosecute the same to completion, or if the Owner does not clean up any debris resulting from any damage within thirty (30) days after the occurrence of such damage, the Association may commence, complete or effect such repair, restoration, replacement or clean-up, and such Owner will be personally liable to the Association for the cost of such work; provided, however, that if the Owner is prohibited or delayed by Applicable Law from commencing such repair, restoration, replacement or clean-up, the rights of the Association under this provision will not arise until the expiration of thirty (30) days after such prohibition or delay is removed. If the Owner fails to pay such cost upon demand by the Association, the cost thereof (plus interest from the date of demand until paid at the maximum lawful rate, or if there is no such maximum lawful rate, then at the rate of one and one-half percent (1½%) per month) will be added to the Assessment chargeable to the Owner's Lot. Any such amounts added to the Assessments chargeable against a Lot will be secured by the liens reserved in this Declaration for Assessments and may be collected by any means provided in this Declaration for the collection of Assessments, including, but not limited to, foreclosure of such liens against the Owner's Lot. **EACH SUCH OWNER WILL RELEASE AND HOLD HARMLESS THE ASSOCIATION AND ITS OFFICERS, DIRECTORS, COMMITTEE MEMBERS, EMPLOYEES AND AGENTS FROM ANY COST, LOSS, DAMAGE, EXPENSE, LIABILITY, CLAIM OR CAUSE OF ACTION INCURRED OR THAT MAY ARISE BY REASON OF THE ASSOCIATION'S ACTS OR ACTIVITIES UNDER THIS SECTION 6.2, EXCEPT FOR SUCH COST, LOSS, DAMAGE, EXPENSE, LIABILITY, CLAIM OR COST OF ACTION ARISING BY REASON OF THE ASSOCIATION'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT. "GROSS NEGLIGENCE" AS USED HEREIN DOES NOT INCLUDE SIMPLE NEGLIGENCE, CONTRIBUTORY NEGLIGENCE OR SIMILAR NEGLIGENCE SHORT OF ACTUAL GROSS NEGLIGENCE.**

**6.3 Mechanic's and Materialmen's Lien.** Each Owner whose structure is repaired, restored, replaced or cleaned up by the Association pursuant to the rights granted under this *Article 6*, hereby grants to the Association an express mechanic's and materialmen's lien for the reasonable cost of such repair, restoration, or replacement of the damaged or destroyed Improvement to the extent that the cost of such repair, restoration or replacement exceeds any insurance proceeds allocable to such repair, restoration or replacement and delivered to the Association. Upon request by the Board, and before the commencement of any reconstruction, repair, restoration or replacement, such Owner will execute all documents sufficient to effectuate such mechanic's and materialmen's lien in favor of the Association.

## ARTICLE 7 COVENANT FOR ASSESSMENTS

### 7.1 Assessments.

7.1.1 Established by the Board. Assessments established by the Board pursuant to the provisions of this *Article 7* will be levied against each Lot in amounts determined pursuant to *Section 7.7* below. The total amount of Assessments will be determined by the Board pursuant to *Sections 7.3, 7.4, 7.5, 7.6, 7.7, 7.8 and/or 7.13.*

7.1.2 Personal Obligation; Lien. Each Assessment, together with such interest thereon and costs of collection as hereinafter provided, will be the personal obligation of the Owner of the Lot against which the Assessment is levied and will be secured by a lien hereby granted and conveyed by Declarant to the Association against each such Lot and all Improvements thereon (such lien, with respect to any Lot not in existence on the date hereof, will be deemed granted and conveyed at the time that such Lot is created). The Association may enforce payment of such Assessments in accordance with the provisions of this *Article 7*.

7.1.3 Declarant Subsidy. Declarant may, but is not obligated to, reduce Assessments which would otherwise be levied against Lots for any fiscal year by the payment of a subsidy to the Association. Any subsidy paid to the Association by Declarant may be treated as a contribution or a loan, in Declarant's sole and absolute discretion. Any subsidy and the characterization thereof will be disclosed as a line item in the annual budget prepared by the Board and attributable to such Assessments. The payment of a subsidy in any given year will not obligate Declarant to continue payment of a subsidy to the Association in future years.

7.2 Maintenance Fund. The Board will establish a maintenance fund into which will be deposited all monies paid to the Association and from which disbursements will be made in performing the functions of the Association under this Declaration. The funds of the Association may be used for any purpose authorized by the Restrictions and Applicable Law.

7.3 Regular Assessments. Prior to the beginning of each fiscal year, the Board will prepare a budget for the purpose of determining amounts sufficient to pay the estimated net expenses of the Association (the "**Regular Assessments**") which sets forth: (i) an estimate of the

expenses to be incurred by the Association during such year in performing its functions and exercising its powers under the Restrictions, including, but not limited to, the cost of all management, repair and maintenance, the cost of providing street and other lighting, the cost of administering and enforcing the Restrictions; and (ii) an estimate of the amount needed to maintain a reasonable provision for contingencies and an appropriate replacement reserve, giving due consideration to any expected income and any surplus from the prior year's fund. Regular Assessments sufficient to pay such estimated net expenses will then be levied at the level of Assessments set by the Board in its sole and absolute discretion, and the Board's determination will be final and binding so long as it is made in good faith. If the sums collected prove inadequate for any reason, including nonpayment of any Assessment by any Owner, the Association may at any time, and from time to time, levy further Assessments in the same manner. All such Regular Assessments will be due and payable to the Association annually on or before the first day of the month, or in such other manner as the Board may designate in its sole and absolute discretion.

**7.4 Working Capital Assessment.** Each Owner will pay a one-time working capital assessment (the "**Working Capital Assessment**") to the Association in such amount, if any, as may be determined by the Declarant, until expiration or termination of the Development Period, and the Board thereafter. Such Working Capital Assessment need not be uniform among all Lots, and the Declarant or the Board is expressly authorized to levy Working Capital Assessments of varying amounts depending on the size, use and general character of the Lots then being made subject to such levy. The Association may use the working capital to discharge operating expenses. The levy of any Working Capital Assessment will be effective only upon the Recordation of a written notice, signed by the Declarant or a duly authorized officer of the Association, setting forth the amount of the Working Capital Assessment.

Notwithstanding the foregoing provision, the following transfers will not be subject to the Working Capital Assessment: (i) foreclosure of a deed of trust lien, tax lien, or the Association's Assessment lien; (ii) transfer to, from, or by the Association; or (iii) voluntary transfer by an Owner to one or more co-owners, or to the Owner's spouse, child, or parent. Additionally, the Declarant and an Owner who is a Homebuilder will not be subject to the Working Capital Assessment; however, the Working Capital Assessment will be payable by any Owner who acquires a Lot from the Declarant or a Homebuilder. In the event of any dispute regarding the application of the Working Capital Assessment to a particular Owner, the determination by the Declarant during the Development Period, and the Board thereafter, regarding application of the exemption will be binding and conclusive without regard to any contrary interpretation of this *Section 7.4*. The Working Capital Assessment will be in addition to, not in lieu of, any other Assessments levied in accordance with this *Article 7* and will not be considered an advance payment of such Assessments. The Working Capital Assessment hereunder will be due and payable to the Association immediately upon each transfer of title to the Lot, including upon transfer of title from one Owner of such Lot to any subsequent purchaser or transferee thereof. The Declarant during the Development Period, and thereafter the Board, will have the power to waive the payment of any Working Capital Assessment

attributable to a Lot (or all Lots) by the Recordation of a waiver, which waiver may be temporary or permanent.

**7.5 Special Assessments.** In addition to the Regular Assessments provided for above, the Board may levy special assessments (the “**Special Assessments**”) whenever in the Board’s opinion such Special Assessments are necessary to enable the Board to carry out the functions of the Association under the Restrictions. The amount of any Special Assessments will be at the sole discretion of the Board. In addition to the Special Assessments authorized above, the Association may, in any fiscal year, levy a Special Assessment for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area. Any Special Assessment levied by the Association for the purpose of defraying, in whole or in part, costs of any construction, reconstruction, repair or replacement of capital improvement upon the Common Area will be levied against all Owners based on Assessment Units.

**7.6 Utility Assessments.** This *Section 7.6* applies to utilities serving the Lots and consumed by the Owners and/or Residents that are billed to the Association by the utility provider, and which may or may not be sub-metered by or through the Association. The Board may levy a utility assessment (the “**Utility Assessment**”) against each Owner and the Owner’s Lot. The Board may allocate the Association’s utility charges among the Lots by any conventional and reasonable method. The levy of a Utility Assessment may include a share of the utilities for the Common Areas, as well as administrative and processing fees, and an allocation of any other charges that are typically incurred in connection with utility or sub-metering services. The Board may, from time to time, change the method of utility allocation, provided the method of allocation is reasonable.

**7.7 Individual Assessments.** In addition to any other Assessments, the Board may levy an individual assessment (the “**Individual Assessment**”) against an Owner and the Owner’s Lot. Individual Assessments may include, but are not limited to: interest, late charges, and collection costs on delinquent Assessments; reimbursement for costs incurred in bringing an Owner or the Owner’s Lot into compliance with this Declaration; fines for violations of the Restrictions; transfer-related fees and resale certificate fees; fees for estoppel letters and project documents; insurance deductibles; reimbursement for damage or waste caused by willful or negligent acts of the Owner, the Owner’s guests, invitees or Residents of the Owner’s Lot; common expenses that benefit fewer than all of the Lots, which may be assessed according to benefit received; fees or charges levied against the Association on a per-Lot basis; and “pass through” expenses for services to Lots provided through the Association and which are paid by each Lot according to the benefit received.

**7.8 Amount of Assessment.**

**7.8.1 Assessments to be Levied.** The Board shall levy Assessments against each “Assessment Unit” (as defined in *Section 7.8.2* below). Unless otherwise provided in this

Declaration, Assessments levied pursuant to *Section 7.3* and *Section 7.5* shall be levied uniformly against each Assessment Unit allocated to a Lot.

7.8.2 **Assessment Unit.** Each Lot shall constitute one "Assessment Unit" unless otherwise provided in *Section 7.8.3* and *7.8.4*.

7.8.3 **Assessment Exemption.** Notwithstanding anything in this Declaration to the contrary, no Assessments shall be levied upon Lots owned by Declarant or Fenway.

7.8.4 **Other Exemptions.** Declarant may, in its sole discretion, elect to: (i) exempt any un-platted or unimproved portion of the Property or any Lot from any Assessments levied or charged pursuant to this *Article 7*; or (ii) delay the levy of Assessments against any un-platted, unimproved or improved portion of the Property. Declarant or the Board may also exempt any portion of the Property which is dedicated and accepted by public authority from Assessments.

7.9 **Late Charges.** If any Assessment is not paid by the due date applicable thereto, the Owner responsible for the payment may be required by the Board, at the Board's election at any time and from time to time, to pay a late charge in such amount as the Board may designate, and the late charge (and any reasonable handling costs) will be levied as an Individual Assessment against the Lot owned by such Owner, collectible in the manner as provided for collection of Assessments, including foreclosure of the lien against such Lot; provided, however, such charge will never exceed the maximum charge permitted under Applicable Law.

7.10 **Owner's Personal Obligation; Interest.** Assessments levied as provided for herein will be the personal and individual debt of the Owner of the Lot against which are levied such Assessments. No Owner may exempt himself from liability for such Assessments. In the event of default in the payment of any such Assessment, the Owner of the Lot will be obligated to pay interest on the amount of the Assessment at the highest rate allowed by applicable usury laws then in effect on the amount of the Assessment from the due date therefor (or if there is no such highest rate, then at the rate of one and one half percent (1 1/2%) per month, together with all late charges, if any, costs and expenses of collection, including reasonable attorney's fees. Such amounts will be levied as an Individual Assessment against the Lot owned by such Owner.

7.11 **Assessment Lien and Foreclosure.** The payment of all sums assessed in the manner provided in this *Article 7* is, together with late charges as provided in *Section 7.9* and interest as provided in *Section 7.10* hereof and all costs of collection, including attorney's fees as herein provided, secured by the continuing Assessment lien granted to the Association pursuant to *Section 7.1.2* above, and will bind each Lot in the hands of the Owner thereof, and such Owner's heirs, devisees, personal representatives, successors or assigns. The aforesaid lien will be superior to all other liens and charges against such Lot, except only for: (i) tax liens and

RP-2021-137874

governmental assessment liens; (ii) all sums secured by a Recorded first mortgage lien or Recorded first deed of trust lien of record, to the extent such lien secures sums borrowed for the acquisition or improvement of the Lot in question; (iii) home equity loans or home equity lines of credit which are secured by a Recorded second mortgage lien or Recorded second deed of trust lien of record; or (iv) as otherwise required by Applicable Law; provided that, in the case of subparagraphs (ii), (ii) and (iii) above, such Mortgage was Recorded before the delinquent Assessment was due. The Association will have the power to subordinate the aforesaid Assessment lien to any other lien. Such power will be entirely discretionary with the Board, and such subordination shall be signed by an authorized officer, agent, or attorney of the Association. The Association may, at its option and without prejudice to the priority or enforceability of the Assessment lien granted hereunder, prepare a written notice of Assessment lien setting forth the amount of the unpaid indebtedness, the name of the Owner of the Lot covered by such lien and a description of the Lot. Such notice may be signed by one of the authorized officers, agents, or attorneys of the Association and will be Recorded. Each Owner, by accepting a deed or ownership interest to a Lot subject to this Declaration, will be deemed conclusively to have granted a power of sale to the Association to secure and enforce the Assessment lien granted hereunder. The Assessment liens and rights to foreclosure thereof will be in addition to and not in substitution of any other rights and remedies the Association may have by law and under this Declaration, including the rights of the Association to institute suit against such Owner personally obligated to pay the Assessment and/or for foreclosure of the aforesaid lien. In any foreclosure proceeding, such Owner will be required to pay the costs, expenses and reasonable attorney's fees incurred. The Association will have the power to bid (in cash or by credit against the amount secured by the lien) on the property at foreclosure or other legal sale and to acquire, hold, lease, mortgage, convey or otherwise deal with the same. Upon the written request of any Mortgagee, the Association will report to said Mortgagee any unpaid Assessments remaining unpaid for longer than sixty (60) days after the same are due. The lien hereunder will not be affected by the sale or transfer of any Lot; except, however, that in the event of foreclosure of any lien superior to the Assessment lien, the lien for any Assessments that were due and payable before the foreclosure sale will be extinguished, provided that past-due Assessments will be paid out of the proceeds of such foreclosure sale only to the extent that funds are available after the satisfaction of the indebtedness secured by the Mortgage. The provisions of the preceding sentence will not, however, relieve any subsequent Owner (including any Mortgagee or other purchaser at a foreclosure sale) from paying Assessments becoming due and payable after the foreclosure sale. Upon payment of all sums secured by a lien of the type described in this *Section 7.11*, the Association will upon the request of the Owner, and at such Owner's cost, execute a release of lien relating to any lien for which written notice has been Recorded as provided above, except in circumstances in which the Association has already foreclosed such lien. Such release will be signed by an authorized officer, agent, or attorney of the Association. In addition to the lien hereby retained, in the event of nonpayment by any Owner of any Assessment and after the lapse of at least twelve (12) days since such payment was due, the Association may, upon five (5) days' prior written notice (which may run concurrently with such twelve (12) day period) to such Owner, in addition to

all other rights and remedies available pursuant to Applicable Law, equity or otherwise, terminate, in such manner as the Board deems appropriate, any utility or cable service provided through the Association and not paid for directly by an Owner or Resident to the utility or service provider. Such notice will consist of a separate mailing or hand delivery at least five (5) days prior to a stated date of disconnection, with the title "termination notice" or similar language prominently displayed on the notice. The notice will include the office or street address where the Owner or the Resident can make arrangements for payment of the bill and for reconnection of service. Utility or cable service will not be disconnected on a day, or immediately preceding a day, when personnel are not available for the purpose of collection and reconnecting such services. Except as otherwise provided by Applicable Law, the sale or transfer of a Lot will not relieve the Owner of such Lot or such Owner's transferee from liability for any Assessments thereafter becoming due or from the lien associated therewith. If an Owner conveys its Lot and on the date of such conveyance Assessments against the Lot remain unpaid, or said Owner owes other sums or fees under this Declaration to the Association, the Owner will pay such amounts to the Association out of the sales price of the Lot, and such sums will be paid in preference to any other charges against the Lot other than liens superior to the Assessment lien and charges in favor of the State of Texas or a political subdivision thereof for taxes on the Lot which are due and unpaid. The Owner conveying such Lot will remain personally liable for all such sums until the same are fully paid, regardless of whether the transferee of the Lot also assumes the obligation to pay such amounts. The Board may adopt an administrative transfer fee to cover the expenses associated with updating the Association's records upon the transfer of a Lot to a third party; provided, however, that no transfer fee will be due upon the transfer of a Lot from Declarant or Fenway to a third party.

**Yes, the Association can foreclose on your Lot!**  
**If you fail to pay assessments to the Association, you may lose title to your Lot if the Association forecloses its assessment lien.**

**7.12 Exempt Property.** The following areas will be exempt from the Assessments provided for in this *Article 7*:

- (i) All area dedicated and accepted by public authority;
- (ii) The Common Area; and
- (iii) Any portion of the Property owned by Declarant or Fenway.

**7.13 Fines and Damages Assessment.**

**7.13.1 Board Assessment.** The Board may assess fines against an Owner for violations of the Restrictions which have been committed by an Owner, a Resident, or the Owner or Residents guests, agents or invitees pursuant to the Fine and Collection Policy adopted by the Board. Any fine and/or charge levied in accordance with this *Section 7.13* will be

considered an Individual Assessment pursuant to this Declaration. Each day of violation may be considered a separate violation if the violation continues after written notice to the Owner. The Board may assess damage charges against an Owner for pecuniary loss to the Association from property damage or destruction of Common Area or any facilities caused by the Owner, Resident, or their guests, agents, or invitees. The Manager will have authority to send notices to alleged violators, informing them of their violations and asking them to comply with the Rules and Regulations and/or informing them of potential or probable fines or damage assessments. The Board may from time to time adopt a schedule of fines.

7.13.2 Lien Created. The payment of each fine and/or damage charge levied by the Board against the Owner of a Lot is, together with interest as provided in *Section 7.10* hereof and all costs of collection, including attorney's fees as herein provided, secured by the lien granted to the Association pursuant to *Section 7.1.2* of this Declaration. The fine and/or damage charge will be considered an Assessment for the purpose of this *Article 7* and will be enforced in accordance with the terms and provisions governing the enforcement of assessments pursuant to this *Article 7*.

## ARTICLE 8 MAINTENANCE AND REPAIR OBLIGATIONS

8.1 Overview. Generally, the Association maintains the Common Area, and the Owner maintains his Lot and the residence located thereon. If any Owner fails to maintain his Lot and the residence located thereon, the Association may perform the work at the Owner's expense. This Declaration assigns portions of the residences and Lots to the Area of Common Responsibility. The Area of Common Responsibility is maintained by the Association and not the Owner. On the date of this Declaration, the initial designation of components of residences and Lots included within the Area of Common Responsibility is attached hereto as Exhibit "A".

8.2 Association Maintains. The Association's maintenance obligations will be discharged when and how the Board deems appropriate. Unless otherwise provided in this Declaration, the Association maintains, repairs and replaces, as a common expense, the portions of the Property or the Common Area listed below, regardless of whether the portions are on an Owner's Lot:

- (i) the Common Area (including the Access Gates, Shared Driveways, Landscape Easement Area, sidewalks, Guest Parking Reserves, and perimeter fencing);
- (ii) the Area of Common Responsibility (including any portion of the Access Gates, Shared Driveways, Landscape Easement Area, Fenced Yard Area, sidewalks, and perimeter fencing located on an Owner's Lot);
- (iii) any real and personal property owned by the Association not otherwise designated as a Common Area;

(iv) any property adjacent to the Property or the Common Area if maintenance of same is deemed to be in the best interests of the Association, and if not prohibited by the owner or operator of said property; and

(v) any area, item, easement or service the maintenance of which is assigned to the Association by this Declaration or in accordance with any Recorded easement or Recorded Plat of the Property.

The Association may be relieved of all or any portion of its maintenance responsibilities herein to the extent that: (i) such maintenance responsibility is assigned to an Owner under this Declaration; (ii) such maintenance responsibility is otherwise assumed by or assigned to an Owner; or (iii) such property is dedicated to any local, state or federal government or quasi-governmental entity; provided, however, that in connection with such assumption, assignment or dedication, the Association may reserve or assume the right or obligation to continue to perform all or any portion of its maintenance responsibilities, if the Board determines that such maintenance is necessary or desirable.

Subject to the maintenance responsibilities herein provided, any maintenance or repair performed on or to the Common Area or the Area of Common Responsibility by an Owner or Resident that is the responsibility of the Association hereunder shall be performed at the sole expense of such Owner or Resident and the Owner and Resident shall not be entitled to reimbursement from the Association even if the Association accepts the maintenance or repair.

The Association shall not be liable for injury or damage to person or property caused by the elements or by the Owner or Resident of any Lot or any other person or resulting from any utility, rain, snow or ice which may leak or flow from any portion of the Common Area or from any pipe, drain, conduit, appliance or equipment which the Association is responsible to maintain hereunder, except for injuries or damages arising after the Owner or Resident of a Lot has put the Association on written notice of a specific leak or flow from any portion of the Common Area and the Association has failed to exercise due care to correct the leak or flow within a reasonable time thereafter. The Association shall not be liable to any Owner or Resident of any Lot for loss or damage, by theft or otherwise, of any property, which may be stored in or upon any of the Common Area or any Lot. The Association shall not be liable to any Owner or Resident, for any damage or injury caused in whole or in part by the Association's failure to discharge its responsibilities under this *Section 8.2* where such damage or injury is not a foreseeable, natural result of the Association's failure to discharge its responsibilities. No diminution or abatement of Assessments shall be claimed or allowed by reason of any alleged failure of the Association to take some action or perform some function required to be taken or performed by the Association under this Declaration or for inconvenience or discomfort arising from the making of repairs or Improvements which are the responsibility of the Association or from any action taken by the Association to comply with any law ordinance or with any order or directive of any municipal or other governmental authority.

**8.3 Area of Common Responsibility.** The Association, acting through its members only, has the right but not the duty to designate, from time to time, portions of a Structure, residence, and Lot as an Area of Common Responsibility to be treated, maintained, repaired, and/or replaced by the Association as a common expense. A designation applies to every Lot having the identified feature. The cost of maintaining the Area of Common Responsibility is added to the annual budget and assessed uniformly against all Lots as a Regular Assessment, unless, after expiration of the Development Period, the Owners of at least a Majority of the Lots decide to assess the costs as Individual Assessments.

**8.3.1 Easement.** The Association is hereby granted an easement over and across each residence and Lot to the extent reasonably necessary or convenient for the Association or its designee to maintain, repair and/or replace the Area of Common Responsibility. Unless otherwise agreed to by the Owner of the Lot to be accessed, access to the Area of Common Responsibility is limited to Monday through Friday, between the hours of 7 a.m. until 6 p.m., and then only in conjunction with actual maintenance activities. If the Association damages any Improvements located within a Lot or residence in exercising the easement granted hereunder, the Association will be required to restore such Improvements to the condition which existed prior to any such damage, at the Association's expense, within a reasonable period of time not to exceed thirty (30) days after the date the Association is notified in writing of the damage by the Owner of the damaged Improvements.

**8.3.2 Change in Designation.** The Association may, from time to time, include additional components of Lots and residences within the Area of Common Responsibility; however, unless otherwise approved by the Declarant during the Development Period, in no event may the Association at any time remove from the Area of Common Responsibility components of Lots or residences previously designated as an Area of Common Responsibility under this Declaration. During the Development Period, any addition to the Area of Common Responsibility must also be approved by the Declarant. After expiration or termination of the Development Period, any addition must be approved by the Owners of two-thirds of the votes in the Association. During the Development Period, the Area of Common Responsibility may be modified or amended by the Declarant, acting alone. Any modification or amendment to the Area of Common Responsibility must be recorded in the Official Public Records of Harris County, Texas.

**8.4 Inspection Obligations.**

**8.4.1 Contract for Services.** In addition to the Association's general maintenance obligations set forth in this Declaration, the Association shall, at all times, contract with (subject to the limitations otherwise set forth in this Declaration) or otherwise retain the services of independent, qualified, licensed individuals or entities to provide the Association with inspection services for the Area of Common Responsibility.

8.4.2 Schedule of Inspections. Such inspections shall take place at least once every three (3) years. The inspectors shall provide written reports of their inspections to the Association promptly following completion thereof. The written reports shall identify any items of maintenance or repair that either require current action by the Association or will need further review and analysis. The Board shall report the contents of such written reports to the Members of the Association at the next meeting of the Members following receipt of such written reports or as soon thereafter as reasonably practicable and shall include such written reports in the minutes of the Association. Subject to the provisions of the Declaration below, the Board shall promptly cause all matters identified as requiring attention to be maintained, repaired, or otherwise pursued in accordance with prudent business practices and the recommendations of the inspectors.

8.4.3 Notice to Declarant. During the Development Period, the Association shall, if requested by Declarant, deliver to Declarant ten (10) days advance written notice of all such inspections (and an opportunity to be present during such inspection, personally or through an agent) and shall provide Declarant (or its designee) with a copy of all written reports prepared by the inspectors.

8.5 Owner Responsibility. Every Owner is responsible for the maintenance, repair and replacement of all Improvements located on such Owner's Lot, unless such Improvements are maintained by the Association as an Area of Common Responsibility. Every Owner has the following responsibilities and obligations for the maintenance, repair and replacement of their Lot:

(i) to maintain, repair, and replace the residence located on the Owner's Lot and any Improvements, except for the Area of Common Responsibility;

(ii) to not do any work or fail to do any work which, in the reasonable opinion of the Board, would materially jeopardize the soundness and safety of the Property, reduce the value thereof, or impair any easement or real property right thereto;

(iii) to be responsible for his own willful or negligent acts and those of his or the Resident's family, guests, agents, employees, or contractors when those acts necessitate maintenance, repair, or replacement of Common Area or the property of another Owner, or any component of the Property for which the Association has maintenance and/or insurance responsibility;

(iv) to perform his or her responsibilities in such manner so as not to unreasonably disturb other Owners and Residents;

(v) to promptly report to the Association or its agent any defect or need for repairs for which the Association is responsible; and

(vi) to pay for the cost of repairing, replacing or cleaning up any item that is the responsibility of the Owner but which responsibility such Owner fails or refuses to discharge (which the Association shall have the right, but not the obligation, to do), or to pay for the cost of repairing, replacing, or cleaning up any item which, although the responsibility of the Association, is necessitated by reason of the willful or negligent act of the Owner, his or her family, tenants or guests, with the cost thereof to be added to and to become part of the Owner's next chargeable Assessment.

**SEE EXHIBIT "A"**  
**IF IT'S NOT AN AREA OF COMMON RESPONSIBILITY, THEN IT'S THE  
OWNER'S INDIVIDUAL RESPONSIBILITY.**

**8.6 Disputes.** If a dispute arises regarding the allocation of maintenance responsibilities by this Declaration, the dispute will be resolved by the Board, who shall delegate such maintenance responsibility to either the Association or the individual Owner(s), as determined by the Board in its sole and absolute discretion.

## ARTICLE 9 ARCHITECTURAL CONTROL COMMITTEE

Until Declarant has delegated its right to appoint and remove all members of the ACC to the Board as provided in *Section 9.2.1* below, the ACC will be acting solely in Declarant's interest and will owe no duty to any other Owner or the Association. Notwithstanding any provision in this Declaration to the contrary, Declarant may appoint a single person to exercise the rights of the ACC. No Improvement constructed or caused to be constructed by the Declarant will be subject to the terms and provisions of this *Article 9* and need not be approved in accordance herewith.

**9.1 Construction of Improvements.** No Improvement may be erected, placed, constructed, painted, altered, modified or remodeled on any Lot, and no Lot may be re-subdivided or consolidated with other Lots or Property, by anyone other than Declarant without the prior written approval of the ACC.

**9.2 Architectural Control Committee.**

**9.2.1 Composition.** The ACC will be composed of not more than three (3) persons (who need not be Members or Owners) appointed as provided below, who will review Improvements proposed to be made by any Owner other than Declarant. Declarant will have the right to appoint and remove (with or without cause) all members of the ACC. Declarant may assign its right to appoint all members of the ACC to the Association by Recorded written instrument, and thereafter, the Board will have the right to appoint and remove (with or without cause) all members of the ACC. Any assignment by Declarant of the right to appoint

and remove all members of the ACC may be withdrawn until expiration of twenty-four (24) months after the expiration of the Development Period. If Declarant withdraws its assignment of the right to appoint and remove all members of the ACC, then on the date of such withdrawal, Declarant will have the right to appoint and remove (with or without cause) all members of the ACC. Declarant's right to appoint all members of the ACC will automatically be assigned to the Association upon the expiration of twenty-four (24) months after the expiration of the Development Period. Declarant, at its option, may create and assign specific duties and responsibilities to one or more sub-committees consisting of members and/or nonmembers of the ACC. In the event responsibilities and duties are assigned to a sub-committee, those responsibilities and duties will no longer be discharged by the ACC unless the sub-committee exercising such duties and responsibilities is dissolved by Declarant. The right to create, dissolve, and appoint members of such sub-committees will reside exclusively with Declarant until such time as Declarant has assigned its right to appoint members of the ACC to the Association. The ACC will have the right to employ consultants and advisors as it deems necessary or appropriate.

9.2.2 Submission and Approval of Plans and Specifications. Construction plans and specifications or, when an Owner desires solely to re-subdivide or consolidate Lots, a proposal for such re-subdivision or consolidation, will be submitted in accordance with the Design Guidelines, if any, or any additional rules adopted by the ACC together with any review fee which is imposed by the ACC in accordance with *Section 9.2.3* to the ACC at the offices of Declarant or at such address as may hereafter be designated in writing from time to time. No re-subdivision or consolidation will be made, nor any Improvement placed or allowed on any Lot, until the plans and specifications and the builder which the Owner intends to use to construct the proposed structure or Improvement have been approved in writing by a Majority of the members of the ACC. The ACC may, in reviewing such plans and specifications consider any information that it deems proper; including, without limitation, any permits, environmental impact statements or percolation tests that may be required by the ACC or any other entity; and harmony of external design and location in relation to surrounding structures, topography, vegetation, and finished grade elevation. The ACC may postpone its review of any plans and specifications submitted for approval pending receipt of any information or material which the ACC, in its sole discretion, may require. Site plans must be approved by the ACC prior to the clearing of any Lot, or the construction of any Improvements. The ACC may refuse to approve plans and specifications for proposed Improvements, or for the re-subdivision or consolidation of any Lot on any grounds that, in the sole and absolute discretion of the ACC, are deemed sufficient, including, but not limited to, purely aesthetic grounds.

Notwithstanding any provision to the contrary in this Declaration, the ACC may issue an approval to Homebuilders for the construction of Improvements based on the review and approval of plan types and adopt a procedure which differs from the procedures for review and approval of Improvements set forth in this Declaration.

9.2.3 Design Guidelines. Declarant may adopt the initial Design Guidelines and, during the Development Period, will have the power from time to time, to adopt (unless previously adopted by Declarant), amend, modify, or supplement the Design Guidelines, if any. Upon expiration or termination of the Development Period, the ACC, or any sub-committee thereof created pursuant to *Section 9.2.1*, will have the power from time to time, to amend, modify, or supplement the Design Guidelines, if any; provided, however, that any amendment to the Design Guidelines made by a sub-committee will only apply to the Improvements under the jurisdiction of such sub-committee, and during the Development Period, any such amendment, modification or supplement must be approved in advance and in writing by the Declarant. In the event of any conflict between the terms and provisions of the Design Guidelines, if any, and the terms and provisions of this Declaration, the terms and provisions of this Declaration will control. In addition, the ACC will have the power and authority to impose a fee for the review of plans, specifications and other documents and information submitted to it pursuant to the terms of this Declaration. Such charges will be held by the ACC and used to defray the administrative expenses incurred by the ACC in performing its duties hereunder; provided, however, that any excess funds held by the ACC will be distributed to the Association at the end of each calendar year. The ACC will not be required to review any plans until a complete submittal package, as required by this Declaration and the Design Guidelines, is assembled and submitted to the ACC. The ACC will have the authority to adopt such additional procedural and substantive rules and guidelines (including, without limitation, the imposition of any requirements for certificates of compliance or completion relating to any Improvement and the right to approve in advance any contractor selected for the construction of Improvements), not in conflict with this Declaration, as it may deem necessary or appropriate in connection with the performance of its duties hereunder.

9.2.4 Actions of the Architectural Control Committee. The ACC may, by resolution unanimously adopted in writing, designate one or more of its members, or an agent acting on its behalf, to take any action or perform any duties for and on behalf of the ACC, except the granting of variances. In the absence of such designation, the vote of a Majority of all of the members of the ACC taken at a duly constituted meeting will constitute an act of the ACC.

9.2.5 Failure to Act. In the event that any plans and specifications are submitted to the ACC as provided herein, and the ACC fails either to approve or reject such plans and specifications for a period of sixty (60) days following such submission, rejection of such plans and specifications by the ACC will be presumed. In furtherance, and not in limitation, of the foregoing, any failure of the ACC to act upon a request for a variance will not be deemed a consent to such variance, and the ACC's written approval of all requests for variances will be expressly required.

9.2.6 Variances. The ACC may grant variances from compliance with any of the provisions of the Design Guidelines, if any, or this Declaration, when, in the opinion of the ACC, in its sole and absolute discretion, such variance is justified. All variances must be

RP-2021-137874

evidenced in writing and must be signed by at least a Majority of the members of the ACC. Each variance must also be Recorded; provided however, that failure to record a variance will not affect the validity thereof or give rise to any claim or cause of action against the ACC, including the Declarant or its designee, the Association, or the Board. If a variance is granted, no violation of the covenants, conditions, or restrictions contained in this Declaration or the Design Guidelines, if any, will be deemed to have occurred with respect to the matter for which the variance was granted. The granting of such variance will not operate to waive or amend any of the terms and provisions of this Declaration or the Design Guidelines, if any, for any purpose except as to the particular property and in the particular instance covered by the variance, and such variance will not be considered to establish a precedent for any future waiver, modification, or amendment of the terms and provisions of this Declaration or the Design Guidelines, if any.

9.2.7 Duration of Approval. The approval of the ACC of any plans and specifications, and any variances granted by the ACC, will be valid for a period of one hundred and twenty (120) days only. If construction in accordance with such plans and specifications or variance is not commenced within such one hundred and twenty (120) day period and diligently prosecuted to completion within either: (i) one year after issuance of approval of such plans and specifications; or (ii) such other period thereafter as determined by the ACC, in its sole and absolute discretion, the Owner will be required to resubmit such plans and specifications or request for a variance to the ACC, and the ACC will have the authority to re-evaluate such plans and specifications in accordance with this *Section 9.2.7* and may, in addition, consider any change in circumstances which may have occurred since the time of the original approval.

9.2.8 No Waiver of Future Approvals. The approval of the ACC to any plans or specifications for any work done or proposed in connection with any matter requiring the approval or consent of the ACC will not be deemed to constitute a waiver of any right to withhold approval or consent as to any plans and specifications on any other matter, subsequently or additionally submitted for approval by the same or a different person, nor will such approval or consent be deemed to establish a precedent for future approvals by the ACC.

9.2.9 Non-Liability of Committee Members. NEITHER DECLARANT, THE BOARD, THE ARCHITECTURAL CONTROL COMMITTEE, NOR ANY MEMBER WILL BE LIABLE TO ANY OWNER OR TO ANY OTHER PERSON FOR ANY LOSS, DAMAGE OR INJURY ARISING OUT OF THE PERFORMANCE OF THE ARCHITECTURAL CONTROL COMMITTEE'S DUTIES UNDER THIS DECLARATION.

**ARTICLE 10  
MORTGAGE PROVISIONS**

The following provisions are for the benefit of holders, insurers and guarantors of first Mortgages on Lots within the Property. The provisions of this *Article 10* apply to this Declaration and the Bylaws of the Association.

**10.1 Notice of Action.** An institutional holder, insurer, or guarantor of a first Mortgage which provides a written request to the Association (such request to state the name and address of such holder, insurer, or guarantor and the street address of the Lot to which its Mortgage relates (thereby becoming an “**Eligible Mortgage Holder**”), will be entitled to timely written notice of:

(i) Any condemnation loss or any casualty loss which affects a material portion of the Property or which affects any Lot on which there is an eligible Mortgage held, insured, or guaranteed by such Eligible Mortgage Holder; or

(ii) Any delinquency in the payment of assessments or charges owed for a Lot subject to the Mortgage of such Eligible Mortgage Holder, where such delinquency has continued for a period of sixty (60) days, or any other violation of the Restrictions relating to such Lot or the Owner or Resident which is not cured within sixty (60) days; or

(iii) Any lapse, cancellation, or material modification of any insurance policy maintained by the Association.

**10.2 Examination of Books.** The Association will permit Mortgagees to examine the books and records of the Association during normal business hours.

**10.3 Taxes, Assessments and Charges.** All taxes, assessments and charges that may become liens prior to first lien mortgages under Applicable Law will relate only to the individual Lots and not to any other portion of the Property.

**ARTICLE 11  
GENERAL PROVISIONS**

**11.1 Term.** The terms, covenants, conditions, restrictions, easements, charges, and liens set out in this Declaration will run with and bind the Property, and will inure to the benefit of and be enforceable by the Association, and every Owner, including Declarant, and their respective legal representatives, heirs, successors, and assigns, for a term beginning on the date this Declaration is Recorded, and continuing through and including January 1, 2069, after which time this Declaration will be automatically extended for successive periods of ten (10) years unless a change (the word “change” meaning a termination, or change of term or renewal term)

is approved in a resolution adopted by Members entitled to cast at least sixty-seven percent (67%) of the total number of votes of the Association, voting in person or by proxy at a meeting duly called for such purpose, written notice of which will be given to all Members at least thirty (30) days in advance and will set forth the purpose of such meeting; provided, however, that such change will be effective only upon the Recording of a certified copy of such resolution. The foregoing sentence shall in no way be interpreted to mean sixty-seven percent (67%) of a quorum as established pursuant to the Bylaws. Notwithstanding any provision in this Section 9.1 to the contrary, if any provision of this Declaration would be unlawful, void, or voidable by reason of any Applicable Law restricting the period of time that covenants on land may be enforced, such provision will expire twenty-one (21) years after the death of the last survivor of the now living, as of the date that this document is first Recorded, descendants of Elizabeth II, Queen of England.

**11.2 Eminent Domain.** In the event it becomes necessary for any public authority to acquire all or any part of the Common Area for any public purpose during the period this Declaration is in effect, the Board is hereby authorized to negotiate with such public authority for such acquisition and to execute instruments necessary for that purpose. Should acquisitions by eminent domain become necessary, only the Board need be made a party, and in any event the proceeds received will be held by the Association for the benefit of the Owners. In the event any proceeds attributable to acquisition of Common Area are paid to Owners, such payments will be allocated on the basis of Assessment Units and paid jointly to the Owners and the holders of Mortgages or deeds of trust on the respective Lot.

**11.3 Amendment.** This Declaration may be amended or terminated by the Recording, of an instrument executed and acknowledged by: (a) Declarant acting alone; or (b) by the president and secretary of the Association setting forth the amendment and certifying that such amendment has been approved by Declarant (until expiration or termination of the Development Period) and Members entitled to cast at least sixty-seven percent (67%) of the total number of votes entitled to be cast by members of the Association. The foregoing sentence shall in no way be interpreted to mean sixty-seven percent (67%) of a quorum as established pursuant to the Bylaws. No amendment will be effective without the written consent of Declarant, its successors or assigns, during the Development Period. Specifically, and not by way of limitation, Declarant may unilaterally amend this Declaration: (i) to bring any provision into compliance with any Applicable Law; (ii) to enable any reputable title insurance company to issue title insurance coverage on any Lot; (iii) to enable any institutional or governmental lender, purchaser, insurer or guarantor of mortgage loans, including, for example, the Federal Home Loan Mortgage Corporation, to make, purchase, insure or guarantee mortgage loans on Lots; or (iv) to comply with any requirements promulgated by a local, state or governmental agency, including, for example, the Department of Housing and Urban Development.

**11.4 Enforcement.** Except as otherwise provided herein, any Owner of a Lot, at such Owner's expense, Declarant and the Association will have the right to enforce, by a proceeding at law or in equity, the Restrictions. The Association and/or the Declarant may initiate, defend,

or intervene in any action brought to enforce any provision of the Restrictions. Such right of enforcement will include both damages for and injunctive relief against the breach of any provision hereof. Every act or omission whereby any provision of the Restrictions is violated, in whole or in part, is hereby declared to be a nuisance and may be enjoined or abated by any Owner of a Lot (at such Owner's own expense), Declarant or the Association. Any violation of any Applicable Law pertaining to the ownership, occupancy, or use of any portion of the Property or the Common Area is hereby declared to be a violation of this Declaration and subject to all of the enforcement procedures set forth herein. The Association and the Declarant will have the right to enforce by a proceeding at law or in equity, the Restrictions. Failure to enforce any right, provision, covenant, or condition set forth in the Restrictions will not constitute a waiver of the right to enforce such right, provision, covenants or condition in the future. Failure of the Declarant or the Association to enforce the terms and provisions of the Restrictions shall in no event give rise to any claim or liability against the Declarant, the Association, or any of their partners, directors, officers, or agents. EACH OWNER, BY ACCEPTING TITLE TO ALL OR ANY PORTION OF THE PROPERTY, HEREBY RELEASES AND SHALL HOLD HARMLESS EACH OF THE DECLARANT, THE ASSOCIATION, AND THEIR PARTNERS, DIRECTORS, OFFICERS, OR AGENTS FROM AND AGAINST ANY DAMAGES, CLAIMS, OR LIABILITY ASSOCIATED WITH THE FAILURE OF THE DECLARANT OR THE ASSOCIATION TO ENFORCE THE TERMS AND PROVISIONS OF THE RESTRICTIONS.

**11.5 Recovery of Costs.** The costs of curing or abating a violation of the Restrictions are the expense of the Owner or other person responsible for the violation. If legal assistance is obtained to enforce any provision of the Restrictions, or in any legal proceeding (whether or not suit is brought) for damages or for the enforcement of the Restrictions or the restraint of violations of the Restrictions, the prevailing party is entitled to recover from the non-prevailing party all reasonable and necessary costs incurred by it in such action, including reasonable attorneys' fees.

**11.6 Higher Authority.** The terms and provisions of this Declaration are subordinate to Applicable Law. Generally, the terms and provisions of this Declaration are enforceable to the extent they do not violate or conflict with Applicable Law.

**11.7 Severability.** If any provision of this Declaration is held to be invalid by any court of competent jurisdiction, such invalidity will not affect the validity of any other provision of this Declaration, or, to the extent permitted by Applicable Law, the validity of such provision as applied to any other person or entity.

**11.8 Conflicts.** If there is any conflict between the provisions of this Declaration, the Certificate, the Bylaws, or any Rules and Regulations adopted pursuant to the terms of such documents, the provisions of this Declaration, the Certificate, the Bylaws, and the Rules and Regulations, in such order, will govern.

**11.9 Gender.** Whenever the context so requires, all words herein in the male gender will be deemed to include the female or neuter gender, all singular words will include the plural, and all plural words will include the singular.

**11.10 Notices.** Any notice permitted or required to be given to any person by this Declaration will be in writing and may be delivered either personally or by mail, or as otherwise required by Applicable Law. If delivery is made by mail, it will be deemed to have been delivered on the third (3rd) day (other than a Saturday, Sunday or legal holiday) after a copy of the same has been deposited in the United States mail, postage prepaid, addressed to the person at the address given by such person to the Association for the purpose of service of notices. Such address may be changed from time to time by notice in writing given by such person to the Association.

**11.11 Acceptance by Owners.** Each Owner of a Lot or other real property interest in the Property, by the acceptance of a deed of conveyance, or each subsequent purchaser, accepts the same subject to all terms, restrictions, conditions, covenants, reservations, easements, liens and charges, and the jurisdiction rights and powers created or reserved by this Declaration or to whom this Declaration is subject, and all rights, benefits and privileges of every character hereby granted, created, reserved or declared. Furthermore, each Owner agrees that no assignee or successor to Declarant hereunder will have any liability for any act or omission of Declarant which occurred prior to the effective date of any such succession or assignment. All impositions and obligations hereby imposed will constitute covenants running with the land within the Property, and will bind any person having at any time any interest or estate in the Property, and will inure to the benefit of each Owner in like manner as though the provisions of this Declaration were recited and stipulated at length in each and every deed of conveyance.

**11.12 Damage and Destruction.** The Association shall undertake the following actions subsequent to damage or destruction to all or any part of the Common Area covered by insurance:

**11.12.1 Claims.** Promptly after damage or destruction by fire or other casualty to all or any part of the Common Area covered by insurance, the Board, or its duly authorized agent, will proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair of the damage. Repair, as used in this Section 11.12.1, means repairing or restoring the Common Area to substantially the same condition as existed prior to the fire or other casualty.

**11.12.2 Repair Obligations.** Any damage to or destruction of the Common Area will be repaired unless a Majority of the Board decides within sixty (60) days after the casualty not to repair. If for any reason either the amount of the insurance proceeds to be paid as a result of such damage or destruction, or reliable and detailed estimates of the cost of repair, or both, are not made available to the Association within said period, then the period will be extended until such information will be made available.

11.12.3 Restoration. In the event that it should be determined by the Board that the damage or destruction of the Common Area will not be repaired and no alternative Improvements are authorized, then the affected portion of the Common Area will be restored to its natural state and maintained as an undeveloped portion of the Common Area by the Association in a neat and attractive condition.

11.12.4 Special Assessment. If insurance proceeds are paid to restore or repair any damaged or destroyed Common Area, and such proceeds are not sufficient to defray the cost of such repair or restoration, the Board will levy a Special Assessment, as provided in *Article 7*, against all Owners. Additional Assessments may be made in like manner at any time during or following the completion of any repair.

11.12.5 Proceeds Payable to Owners. In the event that any proceeds of insurance policies are paid to Owners as a result of any damage or destruction to any Common Area, such payments will be allocated based on Assessment Units and paid jointly to the Owners and the holders of Mortgages or deeds of trust on their Lots.

**11.13 No Partition**. Except as may be permitted in this Declaration or amendments thereto, no physical partition of the Common Area or any part thereof will be permitted, nor will any person acquiring any interest in the Property or any part thereof seek any such judicial partition unless the portion of the Property or the Common Area in question has been removed from the provisions of this Declaration pursuant to *Section 13.4* below. This *Section 11.13* will not be construed to prohibit the Board from acquiring and disposing of tangible personal property or from acquiring title to real property that may or may not be subject to this Declaration, nor will this provision be constructed to prohibit or affect the creation of a condominium regime in accordance with the Texas Uniform Condominium Act.

**11.14 View Impairment**. Neither Declarant nor the Association guarantee or represent that any view over and across the Lots, or any open space or Common Area within the Property will be preserved without impairment. Neither the Declarant, the ACC, nor the Association shall have any obligation to relocate, prune, thin trees or perform other landscaping. The Association (with respect to any Common Area) will have the right to add trees and other landscaping from time to time, subject to Applicable Law. There shall be no express or implied easements for view purposes or for the passage of light and air.

**11.15 Safety and Security**. Each Owner and Resident of a Lot, and their respective guests and invitees, shall be responsible for their own personal safety and the security of their property within the Property and the Common Area. The Association may, but shall not be obligated to, maintain or support certain activities within the Property and the Common Area designed to promote or enhance the level of safety or security which each person provides for himself or herself and his or her property. However, neither the Association nor Declarant shall in any way be considered insurers or guarantors of safety or security within the Property or the Common Area, nor shall either be held liable for any loss or damage by reason of failure to

provide adequate security or ineffectiveness of security measures undertaken. No representation or warranty is made that any systems or measures, including security monitoring systems or any mechanism or system for limiting access to the Property or the Common Area, cannot be compromised or circumvented; or that any such system or security measures undertaken will in all cases prevent loss or provide the detection or protection for which the system is designed or intended. Each Owner acknowledges, understands, and shall be responsible for informing any Residents of such Owner's Lot that the Association, its Board and committees, and the Declarant are not insurers or guarantors of security or safety and that each person within the Property assumes all risks of personal injury and loss or damage to the property, including any residences or Improvements constructed upon any Lot and the contents thereof, resulting from acts of third parties.

**11.16 Notice Concerning Mineral Reservation.** Each Owner is hereby informed that Declarant has conveyed to an affiliated entity all right, title and interest, if any, of Declarant in all minerals, resources, and groundwater, including but not limited to oil, gas and hydrocarbons, in, on or under, and/or that may be produced from, the Property. The conveyance instrument (the "**Mineral Deed**") includes a provision whereby the owner of the minerals, resources and groundwater, if any, conveyed by such Mineral Deed will not be permitted to use the surface of the Property (to a depth of thirty feet below the finished grade of the Property) for the purpose of exploring for, developing or producing such minerals, resources and groundwater on and after the date of the first conveyance of a completed residence on the Property (the "**Surface Waiver**"). This Surface Waiver applies only to the interest, if any, in the minerals, resources and groundwater conveyed by the Mineral Deed. (The minerals, resources and groundwater, or some portion thereof or some interest therein, may have been conveyed or reserved by third parties prior to Declarant's conveyance to its affiliate, and any such portion or interest would not be affected by the Surface Waiver contained in the Mineral Deed. No representation or warranty, express or implied, is made as to the ownership of the minerals, resources and groundwater or any portion thereof or any interest therein. Further, no representation or warranty, express or implied, is made with respect to whether the owner(s), if any, of any interest in or portion of the minerals, resources and groundwater not conveyed by the Mineral Deed has/have waived their rights to use the surface of the Property or the terms of any such waiver of surface rights.) The Surface Waiver in the Mineral Deed does not prevent the owner of the minerals, resources, and groundwater conveyed by the Mineral Deed from exploring, developing, drilling, producing, withdrawing, capturing, pumping, extracting, mining or transporting the minerals, resources, and groundwater by pooling, unitization, directional drilling or any other manner or method that does not require entry upon the surface of the Property. Each Owner should carefully review the title commitment delivered in connection with its acquisition of a Lot to determine the full extent to which the Mineral Deed and any other mineral conveyances affect the Lots and the Property. In addition, if this Declaration includes a prohibition against mineral, resource, and/or groundwater extraction, drilling, or mining, such provision is not binding on the owner(s) of the minerals, resources and groundwater.

**ARTICLE 12  
EASEMENTS**

**12.1 Right of Ingress and Egress.** Declarant, its agents, employees, designees, successors and assigns will have a right of ingress and egress over and the right of access to the Common Area to the extent necessary to use the Common Area and the right to such other temporary uses of the Common Area as may be required or reasonably desirable (as determined by Declarant in its sole discretion) in connection with the construction and development of the Property.

**12.2 Community Systems Easement.** The Property shall be subject to a perpetual non-exclusive easement for the installation and maintenance of, including the right to read meters, service or repair lines and equipment, and to do everything and anything necessary to properly maintain and furnish the Community Systems and the facilities pertinent and necessary to the same, which easement shall run in favor of Declarant. Declarant shall have the right, but not the obligation, to install and provide the Community Systems and to provide the services available through the Community Systems to any and all Lots within the Property. Neither the Association nor any Owner shall have any interest therein. Any or all of such services may be provided either directly through the Association and paid for as part of the Assessments or paid directly to Declarant, any affiliate of Declarant, or a third party, by the Owner who receives the services. The Community Systems shall be the property of Declarant unless transferred by Declarant, whereupon any proceeds of such transfer shall belong to Declarant. Declarant shall have the right but not the obligation to convey, transfer, sell or assign all or any portion of the Community Systems or all or any portion of the rights, duties or obligations with respect thereto, to the Association or to any person or entity. The rights of Declarant with respect to the Community Systems installed by Declarant and the services provided through such Community Systems are exclusive, and no other person or entity may provide such services through the Community Systems installed by Declarant without the prior written consent of Declarant. In recognition of the fact that interruptions in cable television and other Community Systems services will occur from time to time, no person or entity described above shall in any manner be liable, and no user of any Community System shall be entitled to any refund, rebate, discount or offset in applicable fees, for any interruption in Community Systems services, regardless of whether or not same is caused by reasons within the control of the then-provider of such services.

**12.3 Reserved Easements.** All dedications, limitations, restrictions, easements, rights of way, licenses, leases, encumbrances and reservations shown on any Plat or otherwise Recorded against the Property and all grants and dedications of easements, rights-of-way, restrictions and related rights made by Declarant or any third party prior to the Property becoming subject to this Declaration are incorporated herein by reference and made a part of this Declaration for all purposes as if fully set forth herein, and will be construed as being adopted in each and every contract, deed or conveyance executed or to be executed by or on behalf of Declarant. Declarant reserves the right to relocate, make changes in, and additions to

said dedications, limitations, restrictions, easements, rights of way, licenses, leases, encumbrances, reservations and other grants for the purpose of developing the Property.

**12.4 Improvements, Roadway and Utility Easements.** Declarant hereby reserves unto itself and Declarant's agents and employees, a perpetual non-exclusive easement over, under, and across the Property, or any areas conveyed or maintained by the Association, or any areas reserved or held as Common Area, for the installation, operation, maintenance, repair, relocation, removal and/or modification of any Improvements, roadways, walkways, pathways, street lighting, sewer lines, water lines, utility lines, drainage or storm water lines, and/or other pipelines, conduits, wires, and/or any public utility function on, beneath or above the surface of the ground that serve the Property, and any other property owned by Declarant or Fenway with the right of access to the same at any time. Declarant will be entitled to unilaterally assign the easements reserved hereunder to any third party who owns, operates or maintains the facilities and Improvements described in this *Section 12.4*. The exercise of the easement reserved herein will not extend to permitting entry into any residence, nor will it unreasonably interfere with the use of any Lot or residence or Improvement constructed thereon. In addition, Declarant may designate all or any portion of the easements or facilities constructed therein as Common Area.

**12.5 Subdivision Entry and Fencing Easement.** Declarant reserves for itself and the Association, an easement over and across the Property and any Common Area for the installation, operation, maintenance, repair, relocation, removal and/or modification of certain subdivision entry facilities and fencing, including perimeter fencing, which serves the Property or Common Area. Declarant will have the right, from time to time, to Record a written notice which identifies the subdivision entry facilities, walls, and/or fencing to which the easement reserved hereunder applies. Declarant may designate all or any portion of the subdivision entry facilities, walls, and/or fencing as Common Area by Recorded written notice. The exercise of the easements reserved hereunder will not extend to permitting entry into any residence, nor will it unreasonably interfere with the use of any Lot or residence or Improvement constructed thereon.

**12.6 Landscape and Monument Sign Easement.** Declarant hereby reserves for itself and the Association, an easement over and across the Property and the Common Area for the installation, operation, maintenance, repair, replacement, relocation, removal, and/or modification of landscaping, signs, and/or monument signs which serve the Property, the Common Area, and any other property owned by the Declarant or Fenway. Declarant will have the right, from time to time, to Record a written notice, which identifies those portions of the Property and the Common Area to which the easement reserved hereunder applies. Declarant may designate all or any portion of the easement areas reserved hereunder as Common Area. The exercise of the easements reserved hereunder will not extend to permitting entry into any residence, nor will it unreasonably interfere with the use of any Lot or Dwelling.

RP-2021-137874

**12.7 Easement to Inspect and Right to Correct.** For a period of ten (10) years after the expiration of the Development Period, Declarant reserves for itself and for the Declarant's architect, engineer, other design professionals, builder and general contractor the right, but not the duty, to inspect, monitor, test, redesign, correct, and relocate any structure, Improvement, or condition that may exist on any portion of the Property, including the Lots, and a perpetual nonexclusive easement of access throughout the Property to the extent reasonably necessary to exercise this right. The party exercising such rights will promptly repair, at its sole expense, any damage resulting from the exercise of this right. By way of illustration but not limitation, relocation of mechanical or electrical facilities may be warranted by a change of circumstance, imprecise siting of the original facilities, or the desire or necessity to comply more fully with Applicable Law. This *Section 12.7* may not be construed to create a duty for Declarant, the Association, or any architect, engineer, other design professionals, builder or general contractor, and may not be amended without Declarant's advanced written consent. In support of this reservation, each Owner, by accepting an interest in or title to a Lot, hereby grants to Declarant an easement of access and entry over, across, under, and through the Property, including without limitation, all Common Areas and the Owner's Lot and all Improvements thereon for the purposes contained in this *Section 12.7*.

**12.8 Shared Driveways Easement.** An easement over and across each Lot is hereby reserved by the Declarant for the benefit of the Association for the purpose of maintaining the Shared Driveways in good condition and repair, as determined, from time to time, by the Board, and in accordance with Applicable Law. In addition, Declarant hereby reserves an easement for vehicular and pedestrian ingress and egress over and across the "18' Shared Driveways" shown on the Plat. No vehicle may be parked on any Shared Driveway. "Parked" as used herein shall be defined as a vehicle left unattended for more than thirty (30) consecutive minutes. This provision will not apply to Declarant or its designee during the Development Period. Notwithstanding the foregoing, commercial vehicles and vehicles with commercial writings on their exteriors shall be allowed to be parked temporarily on a Shared Driveway during normal business hours for the purpose of serving any Lot or Common Area; provided, however, no such vehicle shall remain on a Shared Driveway overnight or for any purposes unless prior written consent of the Board is first obtained. The easement reserved herein by the Declarant is perpetual and appurtenant to each Lot. The easement reserved hereunder for the benefit of the Association shall be considered Common Area, and the Association shall discharge the expenses incurred to maintain, repair and replace the Shared Driveways through Assessments.

**12.9 Landscape Improvements Easement.** Declarant reserves an easement over and across the Landscape Easement Area for the installation, operation, maintenance, repair, relocation, removal and/or modification of any Landscape Improvements it elects to construct within the Landscape Easement Area, in its sole and absolute discretion. Notwithstanding anything in this Declaration to the contrary, Declarant shall have no obligation to construct any Landscape Improvements within the Landscape Easement Area. The exercise of the easements

RP-2021-137874

reserved hereunder will not extend to permitting entry into any residence, nor will it unreasonably interfere with the use of any residence or Improvement constructed on any Lot.

**12.10 Association's Access, Maintenance and Landscape Easement.** Each Owner, by accepting an interest in or title to a Lot, whether or not it is so expressed in the instrument of conveyance, grants to the Association an easement of access, maintenance and entry over, across, under, and through the Property, including without limitation, each Lot and all Improvements thereon for the following purposes:

- (i) to perform inspections and/or maintenance that is permitted or required of the Association by the Restrictions or by Applicable Law;
- (ii) to perform maintenance that is permitted or required of the Owner by the Restrictions or by Applicable Law, if the Owner fails or refuses to perform such maintenance;
- (iii) to perform maintenance and repair, and to regulate use of all Access Gates, Shared Driveways, Landscape Easement Area, sidewalks, the perimeter fencing, and the Guest Parking Reserves located within the Property;
- (iv) to enforce the Restrictions;
- (v) to exercise self-help remedies permitted by the Restrictions or by Applicable Law;
- (vi) to respond to emergencies;
- (vii) to have the exclusive right to maintain landscaping and make, erect or install non-structural improvements (such as fences, irrigation systems, lighting systems, walking or biking paths, and the like) in or on those portions of each Owner's Lot (but excluding any portion of such Lot enclosed by a private fence installed by the Declarant or approved by the ACC creating a private yard space for the Lot Owner);
- (viii) to grant easements to utility providers as may be necessary to install, maintain, and inspect utilities serving any portion of the Property; and
- (ix) to perform any and all functions or duties of the Association as permitted or required by the Restrictions or by Applicable Law.

**ARTICLE 13  
DEVELOPMENT RIGHTS**

**13.1 Development by Declarant.** It is contemplated that the Property will be developed pursuant to a plan, which may, from time to time, be amended or modified.

RP-2021-137874

Declarant reserves the right, but will not be obligated, to pursue the development, construction and marketing of the Property, the right to direct the size, shape, and composition of the Property, the right to create and/or designate Lots and Common Areas and to subdivide all or any portion of the Property, subject to any limitations imposed on portions of the Property by any applicable Plat. Collectively, the rights reserved to the Declarant as set forth in this Declaration shall be known as the "Development Rights", and Declarant hereby reserves the right and privilege for itself, and/or its assigns, to exercise the Development Rights, and any other rights reserved on behalf of the Declarant as set forth in this Declaration until twenty-four (24) months after the expiration or termination of the Development Period, except the right to appoint and remove Board members and officers of the Association which shall be governed by the provisions set out in *Section 5.3*. These rights may be exercised with respect to any portions of the Property or the Common Area. As each portion of the Property is developed or dedicated, Declarant may designate the use, classification and such additional covenants, conditions and restrictions as Declarant may deem appropriate for such Property.

**13.2 Special Declarant Rights.** Notwithstanding any provision of this Declaration to the contrary, at all times, Declarant will have the right and privilege: (i) to erect and maintain advertising signs (illuminated or non-illuminated), sales flags, other sales devices and banners for the purpose of aiding the sale of Lots in the Property; (ii) to maintain Improvements upon Lots as sales, model, management, business and construction offices; and (iii) to maintain and locate construction trailers and construction tools and equipment within the Property or the Common Area. The construction, placement or maintenance of Improvements by Declarant will not be considered a nuisance, and Declarant hereby reserves the right and privilege for itself to conduct the activities enumerated in this *Section 13.2* until twenty-four (24) months after expiration or termination of the Development Period.

**13.3 Addition of Land.** Declarant may, at any time and from time to time, add additional lands to the Property. Upon the Recording of a notice of addition of land, such land will be considered part of the Property for purposes of this Declaration, and such added lands will be considered part of the Property subject to this Declaration and the terms, covenants, conditions, restrictions and obligations set forth in this Declaration, and the rights, privileges, duties and liabilities of the persons subject to this Declaration will be the same with respect to such added land as with respect to the lands originally covered by this Declaration. To add lands to the Property, Declarant will be required only to Record a notice of addition of land containing the following provisions:

- (i) A reference to this Declaration, which reference will state the document number or volume and initial page number where this Declaration is Recorded;
- (ii) A statement that such land will be considered Property for purposes of this Declaration, and that all of the terms, covenants, conditions, restrictions and obligations of this Declaration will apply to the added land; and

- (iii) A legal description of the added land.

**13.4 Withdrawal of Land.** Declarant may, at any time and from time to time, reduce or withdraw land from the Property, and remove and exclude from the burden of this Declaration and the jurisdiction of the Association any portion of the Property. Upon any such withdrawal and removal this Declaration and the covenants, conditions, restrictions and obligations set forth herein will no longer apply to the portion of the Property withdrawn. To withdraw lands from the Property hereunder, Declarant will be required only to Record a notice of withdrawal of land containing the following provisions:

- (i) A reference to this Declaration, which reference will state the document number or volume and initial page number where this Declaration is recorded;
- (ii) A statement that the provisions of this Declaration will no longer apply to the withdrawn land; and
- (iii) A legal description of the withdrawn land.

**13.5 Assignment of Declarant's Rights.** Notwithstanding any provision in this Declaration to the contrary, Declarant may, by written instrument, assign, in whole or in part, any of its privileges, exemptions, rights and duties under this Declaration to any person or entity and may permit the participation, in whole, in part, exclusively, or non-exclusively, by any other person or entity in any of its privileges, exemptions, rights and duties hereunder.

## ARTICLE 14 DISPUTE RESOLUTION

*This Article 14 is intended to encourage the resolution of disputes involving the Property. A dispute regarding the Lots, Common Area, and/or Improvements can create significant financial exposure for the Association and its Members, interfere with the resale and refinancing of Lots, and increase strife and tension among the Owners, the Board and the Association's management. Since disputes may have a direct effect on each Owner's use and enjoyment of their Lot and the Common Area, this Article 14 requires Owner transparency and participation in certain circumstances. Transparency means that the Owners are informed in advance about a dispute, the proposed arrangement between the Association and a law firm or attorney who will represent the Association in the dispute, and that each Owner will have an opportunity to participate in the decision-making process prior to initiating the dispute resolution process.*

**14.1 Introduction and Definitions.** The Association, the Owners, Declarant, all persons subject to this Declaration, and each person not otherwise subject to this Declaration who agrees to submit to this *Article 14* by written instrument delivered to the Claimant, which may include, but is not limited to, a Homebuilder, a general contractor, sub-contractor, design

professional, or other person who participated in the design or construction of Lots, Common Area or any Improvement within, serving or forming a part of the Property (individually, a "Party" and collectively, the "Parties") agree to encourage the amicable resolution of disputes involving the Property and the Common Area to avoid the emotional and financial costs of litigation and arbitration if at all possible. Accordingly, each Party hereby covenants and agrees that this Article 14 applies to all Claims as hereafter defined. This Article 14 may only be amended with the prior written approval of the Declarant, the Association (acting through a Majority of the Board), and Owners holding 100% of the votes in the Association. As used in this Article 14 only, the following words, when capitalized, have the following specified meanings:

(i) "Claim" means:

(A) Claims relating to the rights and/or duties of Declarant, the Association, or the ACC, under the Restrictions.

(B) Claims relating to the acts or omissions of the Declarant, the Association or a Board member or officer of the Association during Declarant's control and administration of the Board, and any claim asserted against the ACC.

(C) Claims relating to the design or construction of the Common Area or any Improvements located within or on the Property.

(ii) "Claimant" means any Party having a Claim against any other Party.

(iii) "Respondent" means any Party against which a Claim has been asserted by a Claimant.

**14.2 Mandatory Procedures.** Claimant may not initiate any proceeding before any judge, jury, arbitrator or any judicial or administrative tribunal seeking redress or resolution of its Claim until Claimant has complied with the procedures of this Article 14. As provided in Section 14.8 below, a Claim must be resolved by binding arbitration.

**14.3 Claim Affecting Common Areas.** In accordance with Section 5.12 of this Declaration, the Association does not have the power or right to institute, defend, intervene in, settle, or compromise litigation, arbitration or other proceedings: (i) in the name of or on behalf of any Lot Owner (whether one or more); or (ii) pertaining to a Claim, as defined in Section 14.1 above, relating to the design or construction of Improvements on a Lot (whether one or more). Additionally, no Lot Owner shall have the power or right to institute, defend, intervene in, settle or compromise litigation, arbitration or other proceedings relating to the design or construction of the Common Area. Each Lot Owner, by accepting an interest in or to title to a Lot, hereby grants to the Association the exclusive right to institute, defend, intervene in, settle

or compromise litigation, arbitration or other proceedings relating to the design or construction of the Common Area. In the event the Association asserts a Claim related to the Common Area, as a precondition to providing the Notice defined in *Section 14.5*, initiating the mandatory dispute resolution procedures set forth in this *Article 14*, or taking any other action to prosecute a Claim related to the Common Area, the Association must:

14.3.1 Obtain Owner Approval of Engagement.

*The requirements related to Owner approval set forth in this Section 14.3.1 are intended to ensure that the Association and the Owners approve and are fully informed of the financial arrangements between the Association and a law firm or attorney engaged by the Association to prosecute a Claim relating to the design or construction of the Common Area. The engagement agreement between the Association and the law firm or attorney may include requirements that the Association pay costs, fees, and expenses to the law firm or attorney which will be paid through Assessments levied against Owners. The financial agreement between the Association and the law firm or attorney may also include obligations related to payment, and the conditions and circumstances when the payment obligations arise, if the relationship between the Association and the law firm or attorney is terminated or if the Association agrees to settle the Claim. In addition, the financial arrangement between the Association and the law firm or attorney may include additional costs, expenses, and interest charges. This financial obligation can be significant. The Board may not engage a law firm or attorney to prosecute a Claim relating to the design or construction of the Common Area or execute a written agreement between the Association and a law firm or attorney for the purpose of prosecuting a Claim relating to the design or construction of Common Area unless the law firm or attorney and the financial arrangements between the Association and the law firm or attorney are approved by the Owners in accordance with this Section 14.3.1.*

Unless otherwise approved by Members holding eighty percent (80%) of the votes in the Association, the Association, acting through its Board, shall in no event have the authority to engage a law firm or attorney to prosecute a Claim relating to the design or construction of the Common Area if the agreement between the Association and law firm or attorney includes any provision or requirement that would obligate the Association to pay any costs, expenses, fees, or other charges to the law firm or attorney, including but not limited to, costs, expenses, fees, or other charges payable by the Association: (i) if the Association terminates the engagement with the law firm or attorney or engages another firm or third-party to assist with the Claim; (ii) if the Association agrees to settle the Claim for a cash payment or in exchange for repairs or remediation performed by the Respondent or any other third-party; (iii) if the Association agrees to pay interest on any costs or expenses incurred by the law firm or attorney; and/or (iv) for consultants, expert witnesses, and/or general contractors hired by the law firm or attorney. For avoidance of doubt, it is intended that Members holding eighty percent (80%) of the votes in the Association must approve the law firm and attorney who will prosecute the Claim and the written agreement between the Association and the law firm and/or attorney.

The approval of the Members required under this *Section 14.3.1* must be obtained at a meeting of Members called in accordance with the Bylaws. The notice of Member meeting will be provided pursuant to the Bylaws but the notice must also include: (a) the name of the law firm and attorney; (b) a copy of the proposed written agreement between the Association and the law firm and/or attorney; (c) a narrative summary of the types of costs, expenses, fees, or other charges that may be required to be paid by the Association; (d) the conditions upon which such types of costs, expenses, fees, or other charges are required to be paid by the Association; (e) an estimate of the costs, expenses, fees, or other charges that may be required to be paid by the Association if the conditions for payment occur, which estimate shall be expressed as a range for each type of cost, expense, fee, or other charge; and (f) a description of the process the law firm and/or attorney will use to evaluate the Claim and whether destructive testing will be required (i.e., the removal of all or portions of the Common Area or Improvements on the Property). If destructive testing will be required or is likely to occur, the notice shall include a description of the destructive testing, likely locations of the destructive testing, whether the Owner's use of their Lots or the Common Area will be affected by such testing, and if the destructive testing occurs the means or method the Association will use to repair the Common Area or Improvements affected by such testing and the estimated costs thereof. The notice required by this paragraph must be prepared and signed by a person other than the law firm or attorney who is a party to the proposed agreement being approved by the Members. In the event Members holding eighty percent (80%) of the votes in the Association approve the law firm and/or attorney who will prosecute the Claim and the written agreement between the Association and the law firm and/or attorney, the Board shall have the authority to engage the law firm and/or attorney and enter into the written agreement approved by the Members.

14.3.2 Provide Notice of the Inspection. As provided in *Section 14.3.3* below, a Common Area Report is required which is a written inspection report issued by the Inspection Company. Before conducting an inspection that is required to be memorialized by the Common Area Report, the Association must have provided at least ten (10) days prior written notice of the date on which the inspection will occur to each Respondent which notice shall identify the Inspection Company preparing the Common Area Report, the specific Common Areas to be inspected, and the date and time the inspection will occur. Each Respondent may attend the inspection, personally or through an agent.

14.3.3 Obtain a Common Area Report.

*The requirements related to the Common Area Report set forth in this Section 14.3.3 are intended to provide assurance to the Claimant, Respondent, and the Owners that the substance and conclusions of the Common Area Report and recommendations are not affected by influences that may compromise the professional judgement of the party preparing the Common Area Report, and to avoid circumstances which would create the appearance that the professional judgment of the party preparing the Common Area Report is compromised.*

Obtain a written independent third-party report for the Common Area (the “**Common Area Report**”) from a professional engineer licensed by the Texas Board of Professional Engineers with an office located in Harris County, Texas (the “**Inspection Company**”). The Common Area Report must include: (i) a description with photographs of the Common Area subject to the Claim; (ii) a description of the present physical condition of the Common Area subject to the Claim; (iii) a detailed description of any modifications, maintenance, or repairs to the Common Area performed by the Association or a third-party, including any Respondent; and (iv) specific and detailed recommendations regarding remediation and/or repair of the Common Area subject to the Claim. For the purpose of subsection (iv) of the previous sentence, the specific and detailed recommendations must also include the specific process, procedure, materials, and/or improvements necessary and required to remediate and/or repair the deficient or defective condition identified in the Common Area Report and the estimated costs necessary to effect such remediation and/or repairs. The estimate of costs required by the previous sentence shall be obtained from third-party contractors with an office located in Harris County, Texas, and each such contractor providing the estimate must hold all necessary or required licenses from the Texas Department of Licensing and Regulation or otherwise required by Applicable Law for the work to which the cost estimate relates.

The Common Area Report must be obtained by the Association. The Common Area Report will not satisfy the requirements of this *Section 14.3.3* and is not an “independent” report if: (a) the Inspection Company has an arrangement or other agreement to provide consulting and/or engineering services with the law firm or attorney that presently represents the Association or proposes to represent the Association; (b) the costs and expenses for preparation of the Common Area Report are not required to be paid directly by the Association to the Inspection Company at the time the Common Area Report is finalized and delivered to the Association; or (c) the law firm or attorney that presently represents the Association or proposes to represent the Association has agreed to reimburse (whether unconditional or conditional and based on the satisfaction of requirements set forth in the Association’s agreement with the law firm or attorney) the Association for the costs and expenses for preparation of the Common Area Report. For avoidance of doubt, an “independent” report means that the Association has independently contracted with the Inspection Company on an arms-length basis based on customary terms for the preparation of engineering reports and that the Association will directly pay for the report at the time the Common Area Report is finalized and delivered to the Association.

14.3.4 Provide a Copy of Common Area Report to all Respondents and Owners. Upon completion of the Common Area Report, and in any event no later than three (3) days after the Association has been provided a copy of the Common Area Report, the Association will provide a full and complete copy of the Common Area Report to each Respondent and to each Owner. The Association shall maintain a written record of each Respondent and Owner who was provided a copy of the Common Area Report which will include the date the report was provided. The Common Area Report shall be delivered to each Respondent by hand-delivery and to each Owner by mail.

14.3.5 Provide a Right to Cure Defects and/or Deficiencies Noted on Common Area Report. Commencing on the date the Common Area Report has been completed and continuing for a period of ninety (90) days thereafter, each Respondent shall have the right to: (i) inspect any condition identified in the Common Area Report; (ii) contact the Inspection Company for additional information necessary and required to clarify any information in the Common Area Report; and (iii) correct any condition identified in the Common Area Report. As provided in *Section 12.7* above, the Declarant has an easement throughout the Property for itself, and its successors, assigns, architects, engineers, other design professionals, each Homebuilder, other builders, and general contractors that may be utilized during such ninety (90) day period and any additional period needed thereafter to correct a condition identified in the Common Area Report.

14.3.6 Hold Owner Meeting and Obtain Approval. In addition to obtaining approval from Members for the terms of the attorney or law firm engagement agreement, the Association must obtain approval from Members holding eighty percent (80%) of the votes in the Association to provide the Notice described in *Section 14.5*, initiate the mandatory dispute resolution procedures set forth in this *Article 14*, or take any other action to prosecute a Claim, which approval from Members must be obtained at a meeting of Members called in accordance with the Bylaws. The notice of meeting required hereunder will be provided pursuant to the Bylaws but the notice must also include: (i) the nature of the Claim, the relief sought, the anticipated duration of prosecuting the Claim, and the likelihood of success; (ii) a copy of the Common Area Report; (iii) a copy of any engagement letter between the Association and the law firm and/or attorney selected by the Association to assert or provide assistance with the Claim; (iv) a description of the attorney fees, consultant fees, expert witness fees, and court costs, whether incurred by the Association directly or for which the Association may be liable as a result of prosecuting the Claim; (v) a summary of the steps previously taken by the Association to resolve the Claim; (vi) a statement that initiating the lawsuit or arbitration proceeding to resolve the Claim may affect the market value, marketability, or refinancing of a Lot while the Claim is prosecuted; and (vii) a description of the manner in which the Association proposes to fund the cost of prosecuting the Claim. The notice required by this paragraph must be prepared and signed by a person who is not (a) the attorney who represents or will represent the Association in the Claim; (b) a member of the law firm of the attorney who represents or will represent the Association in the Claim; or (c) employed by or otherwise affiliated with the law firm of the attorney who represents or will represent the Association in the Claim. In the event Members approve providing the Notice described in *Section 14.5*, or taking any other action to prosecute a Claim, the Members holding a Majority of the votes in the Association, at a special meeting called in accordance with the Bylaws, may elect to discontinue prosecution or pursuit of the Claim.

**14.4 Claim by Lot Owners – Improvements on Lots.** Notwithstanding anything contained herein to the contrary, in the event a warranty is provided to a Lot Owner by the Declarant or a Homebuilder relating to the design or construction of any Improvements located on a Lot, then this *Article 14* will only apply to the extent that this *Article 14* is more restrictive

than such Lot Owner's warranty, as determined in Declarant's sole discretion. If a warranty has not been provided to a Lot Owner relating to the design or construction of any Improvements located on a Lot, then this *Article 14* will apply. Class action proceedings are prohibited, and no Lot Owner shall be entitled to prosecute, participate, initiate, or join any litigation, arbitration or other proceedings as a class member or class representative in any such proceedings under this Declaration. If a Lot Owner brings a Claim, as defined in *Section 14.1*, relating to the design or construction of any Improvements located on a Lot (whether one or more), as a precondition to providing the Notice defined in *Section 14.5*, initiating the mandatory dispute resolution procedures set forth in this *Article 14*, or taking any other action to prosecute a Claim, the Lot Owner must:

14.4.1 Provide Notice of the Inspection. As provided in *Section 14.4.2* below, an Owner Improvement Report is required which is a written inspection report issued by the Inspection Company. Before conducting an inspection that is required to be memorialized by the Owner Improvement Report, the Owner must have provided at least ten (10) days prior written notice of the date on which the inspection will occur to each Respondent which notice shall identify the Inspection Company preparing the Owner Improvement Report, the Improvements and areas of the Improvements to be inspected, and the date and time the inspection will occur. Each Respondent may attend the inspection, personally or through an agent.

14.4.2 Obtain an Owner Improvement Report.

*The requirements related to the Owner Improvement Report set forth in this Section 14.4.2 are intended to provide assurance to the Claimant and Respondent that the substance and conclusions of the Owner Improvement Report and recommendations are not affected by influences that may compromise the professional judgement of the party preparing the Owner Improvement Report, and to avoid circumstances which would create the appearance that the professional judgment of the party preparing the Owner Improvement Report is compromised.*

Obtain a written independent third-party report for the Improvements (the "**Owner Improvement Report**") from an Inspection Company. The Owner Improvement Report must include: (i) a description with photographs of the Improvements subject to the Claim; (ii) a description of the present physical condition of the Improvements; (iii) a detailed description of any modifications, maintenance, or repairs to the Improvements performed by the Owner or a third-party, including any Respondent; (iv) specific and detailed recommendations regarding remediation and/or repair of the Improvements. For the purpose of subsection (iv) of the previous sentence, the specific and detailed recommendations must also include the specific process, procedure, materials, and/or improvements necessary and required to remediate and/or repair the deficient or defective condition identified in the Owner Improvement Report and the estimated costs necessary to effect such remediation and/or repairs. The estimate of costs required by the previous sentence shall be obtained from third-party contractors with an

office located in Harris County, Texas, and each such contractor providing the estimate must hold all necessary or required licenses from the Texas Department of Licensing and Regulation or otherwise required by Applicable Law for the work to which the cost estimate relates.

The Owner Improvement Report must be obtained by the Owner. The Owner Improvement Report will not satisfy the requirements of this *Section 14.4.2* and is not an "independent" report if: (a) the Inspection Company has an arrangement or other agreement to provide consulting and/or engineering services with the law firm or attorney that presently represents the Owner or proposes to represent the Owner; (b) the costs and expenses for preparation of the Owner Improvement Report are not directly paid by the Owner to the Inspection Company no later than the date the Owner Improvement Report is finalized and delivered to the Owner; or (c) the law firm or attorney that presently represents the Owner or proposes to represent the Owner has agreed to reimburse (whether unconditional or conditional and based on the satisfaction of requirements set forth in the Owner's agreement with the law firm or attorney) the Owner for the costs and expenses for preparation of the Owner Improvement Report. For avoidance of doubt, an "independent" report means that the Owner has independently contracted with the Inspection Company on an arms-length basis based on customary terms for the preparation of engineering reports and that the Owner will directly pay for the report no later than the date the Owner Improvement Report is finalized and delivered to the Owner.

14.4.3 Provide a Copy of Owner Improvement Report to all Respondents. Upon completion of the Owner Improvement Report, and in any event no later than three (3) days after the Owner has been provided a copy of the Owner Improvement Report, the Owner will provide a full and complete copy of the Owner Improvement Report to each Respondent. The Owner shall maintain a written record of each Respondent who was provided a copy of the Owner Improvement Report which will include the date the report was provided. The Owner Improvement Report shall be delivered to each Respondent by hand-delivery and to each Owner by mail.

14.4.4 Right to Cure Defects and/or Deficiencies Noted on Owner Improvement Report. Commencing on the date the Owner Improvement Report has been completed and continuing for a period of ninety (90) days thereafter, each Respondent shall have the right to: (i) inspect any condition identified in the Owner Improvement Report; (ii) contact the Inspection Company for additional information necessary and required to clarify any information in the Owner Improvement Report; and (iii) correct any condition identified in the Owner Improvement Report. As provided in *Section 12.7* above, the Declarant has an easement throughout the Property for itself, and its successors, assigns, architects, engineers, other design professionals, each Homebuilder, other builders, and general contractors that may be utilized during such ninety (90) day period and any additional period needed thereafter to correct a condition identified in the Owner Improvement Report.

14.4.5 Claims Pertaining to the Common Area. Pursuant to *Section 14.3* above, an Owner does not have the power or right to institute, defend, intervene in, settle or compromise litigation, arbitration or other proceedings relating to the design or construction of the Common Area. In the event that a court of competent jurisdiction or arbitrator determines that an Owner does have the power or right to institute, defend, intervene in, settle or compromise litigation, arbitration or other proceedings relating to the design or construction of the Common Area, such Owner shall be required, since a Claim affecting the Common Area could affect all Owners, as a precondition to providing the Notice defined in *Section 14.5*, initiating the mandatory dispute resolution procedures set forth in this *Article 14*, or taking any other action to prosecute a Claim, to comply with the requirements imposed by the Association in accordance with *Section 14.3.2* (Provide Notice of Inspection), *Section 14.3.3* (Obtain a Common Area Report), *Section 14.3.4* (Provide a Copy of Common Area Report to all Respondents and Owners), *Section 14.3.5* (Provide Right to Cure Defects and/or Deficiencies Noted on Common Area Report), *Section 14.3.6* (Owner Meeting and Approval), and *Section 14.5* (Notice).

**14.5 Notice.** Claimant must notify Respondent in writing of the Claim (the "Notice"), stating plainly and concisely: (i) the nature of the Claim, including date, time, location, persons involved, and Respondent's role in the Claim; (ii) the basis of the Claim (i.e., the provision of the Restrictions or other authority out of which the Claim arises); (iii) what Claimant wants Respondent to do or not do to resolve the Claim; and (iv) that the Notice is given pursuant to this *Section 14.5*. For Claims governed by Chapter 27 of the Texas Property Code, the time period for negotiation in *Section 14.6* below, is equivalent to the sixty (60) day period under Section 27.004 of the Texas Property Code. If a Claim is subject to Chapter 27 of the Texas Property Code, the Claimant and Respondent are advised, in addition to compliance with *Section 14.6*, to comply with the terms and provisions of Section 27.004 during such sixty (60) day period. *Section 14.6* does not modify or extend the time period set forth in Section 27.004 of the Texas Property Code. Failure to comply with the time periods or actions specified in Section 27.004 could affect a Claim if the Claim is subject to Chapter 27 of the Texas Property Code. The one hundred and twenty (120) day period for mediation set forth in *Section 14.7* below, is intended to provide the Claimant and Respondent with sufficient time to resolve the Claim in the event resolution is not accomplished during negotiation. If the Claim is not resolved during negotiation, mediation pursuant to *Section 14.7* is required without regard to the monetary amount of the Claim.

If the Claimant is the Association, the Notice will also include: (a) if the Claim relates to the design or construction of the Common Area, a true and correct copy of the Common Area Report and any and all other reports, studies, analyses, and recommendations obtained by the Association related to the Common Area; (b) a copy of any engagement letter between the Association and the law firm and/or attorney selected by the Association to assert or provide assistance with the Claim; (c) if the Claim relates to the design or construction of the Common Area, reasonable and credible evidence confirming that Members holding eighty percent (80%) of the votes in the Association approved the law firm and attorney and the written agreement

between the Association and the law firm and/or attorney in accordance with *Section 14.3.1*; (d) a true and correct copy of the special meeting notice provided to Members in accordance with *Section 14.3.6* above; and (e) reasonable and credible evidence confirming that Members holding eighty percent (80%) of the votes in the Association approved providing the Notice. If the Claimant is not the Association and pertains to the Common Areas, the Notice will also include a true and correct copy of the Common Area Report. If the Claimant is not the Association and relates to the design or construction of Improvements on a Lot, the Notice will also include a true and correct copy of the Owner Improvement Report.

**14.6 Negotiation.** Claimant and Respondent will make every reasonable effort to meet in person to resolve the Claim by good faith negotiation. Within sixty (60) days after Respondent's receipt of the Notice, Respondent and Claimant will meet at a mutually acceptable place and time to discuss the Claim. If the Claim involves all or any portion of the Property, then at such meeting or at some other mutually-agreeable time, Respondent and Respondent's representatives will have full access to the Property that is subject to the Claim for the purposes of inspecting the Property.

**14.7 Mediation.** If the parties negotiate, but do not resolve the Claim through negotiation within one-hundred twenty (120) days from the date of the Notice (or within such other period as may be agreed on by the parties), Claimant will have thirty (30) additional days within which to submit the Claim to mediation under the auspices of a mediation center or individual mediator on which the parties mutually agree. The mediator must have at least five (5) years of experience serving as a mediator and must have technical knowledge or expertise appropriate to the subject matter of the Claim. If Claimant does not submit the Claim to mediation within the 30-day period, Respondent will submit the Claim to mediation in accordance with this *Section 14.7*. If the Parties do not settle the Claim within thirty (30) days after submission to mediation, Respondent or Claimant may initiate arbitration proceedings in accordance with *Section 14.8*.

**14.8 Binding Arbitration-Claims.** All Claims must be settled by binding arbitration. Claimant or Respondent may, by summary proceedings (e.g., a plea in abatement or motion to stay further proceedings), bring an action in court to compel arbitration of any Claim not referred to arbitration as required by this *Section 14.8*.

**14.8.1 Governing Rules.** If a Claim has not been resolved after mediation in accordance with *Section 14.7*, the Claim will be resolved by binding arbitration in accordance with the terms of this *Section 14.8* and the American Arbitration Association (the "AAA") Construction Industry Arbitration Rules and Mediation Procedures and, if applicable, the rules contained in the AAA Supplementary Procedures for Consumer Related Disputes, as each are supplemented or modified by the AAA (collectively, the Construction Industry Arbitration Rules and Mediation Procedures and AAA Supplementary Procedures for Consumer Related Disputes are referred to herein as the "AAA Rules"). In the event of any inconsistency between the AAA Rules and this *Section 14.8*, this *Section 14.8* will control. Judgment upon the award

rendered by the arbitrator shall be binding and not subject to appeal, but may be reduced to judgment or enforced in any court having jurisdiction. Notwithstanding any provision to the contrary or any applicable rules for arbitration, any arbitration with respect to Claims arising hereunder shall be conducted by a panel of three (3) arbitrators, to be chosen as follows:

(i) One arbitrator shall be selected by Respondent, in its sole and absolute discretion;

(ii) One arbitrator shall be selected by the Claimant, in its sole and absolute discretion; and

(iii) One arbitrator shall be selected by mutual agreement of the arbitrators having been selected by Respondent and the Claimant, in their sole and absolute discretion.

14.8.2 Exceptions to Arbitration; Preservation of Remedies. No provision of, nor the exercise of any rights under, this *Section 14.8* will limit the right of Claimant or Respondent, and Claimant and the Respondent will have the right during any Claim, to seek, use, and employ ancillary or preliminary remedies, judicial or otherwise, for the purposes of realizing upon, preserving, or protecting upon any property, real or personal, that is involved in a Claim, including, without limitation, rights and remedies relating to: (i) exercising self-help remedies (including set-off rights); or (ii) obtaining provisions or ancillary remedies such as injunctive relief, sequestration, attachment, garnishment, or the appointment of a receiver from a court having jurisdiction before, during, or after the pendency of any arbitration. The institution and maintenance of an action for judicial relief or pursuit of provisional or ancillary remedies or exercise of self-help remedies shall not constitute a waiver of the right of any party to submit the Claim to arbitration nor render inapplicable the compulsory arbitration provisions hereof.

14.8.3 Statute of Limitations. All statutes of limitation that would otherwise be applicable shall apply to any arbitration proceeding under this *Section 14.8*.

14.8.4 Scope of Award; Modification or Vacation of Award. The arbitrator shall resolve all Claims in accordance with Applicable Law. The arbitrator may grant any remedy or relief that the arbitrator deems just and equitable and within the scope of this *Section 14.8* and subject to *Section 14.9* below; provided, however, attorney's fees and costs may not be awarded by the arbitrator to either Claimant or Respondent. In addition, for a Claim, or any portion of a Claim governed by Chapter 27 of the Texas Property Code, or any successor statute, in no event shall the arbitrator award damages which exceed the damages a Claimant would be entitled to under Chapter 27 of the Texas Property Code, except that the arbitrator may not award attorney's fees and/or costs to their Claimant or Respondent. In all arbitration proceedings, the arbitrator shall make specific, written findings of fact and conclusions of law. In all arbitration proceedings the parties shall have the right to seek vacation or modification of any award that is based in whole, or in part, on: (i) factual findings that have no legally or factually sufficient

evidence, as those terms are defined in Texas law; (ii) conclusions of law that are erroneous; (iii) an error of Applicable Law; or (iv) a cause of action or remedy not expressly provided under Applicable Law. In no event may an arbitrator award speculative, special, exemplary, treble, or punitive damages for any Claim.

14.8.5 Other Matters. To the maximum extent practicable, an arbitration proceeding hereunder shall be concluded within one hundred and eighty (180) days of the filing of the Claim for arbitration. Arbitration proceedings hereunder shall be conducted in Harris County, Texas. Unless otherwise provided by this *Section 14.8*, the arbitrator shall be empowered to impose sanctions and to take such other actions as the arbitrator deems necessary to the same extent a judge could pursuant to the Federal Rules of Civil Procedure, the Texas Rules of Civil Procedure and Applicable Law. Claimant and Respondent agree to keep all Claims and arbitration proceedings strictly confidential, except for disclosures of information required in the ordinary course of business of the parties or by Applicable Law. In no event shall Claimant or Respondent discuss with the news media or grant any interviews with the news media regarding a Claim or issue any press release regarding any Claim without the written consent of the other parties to the Claim.

14.9 Allocation of Costs. Notwithstanding any provision in this Declaration to the contrary, each party bears all of its own costs incurred prior to and during the proceedings described in the Notice, Negotiation, Mediation, and Arbitration sections above, including its attorney's fees. Respondent and Claimant will equally divide all expenses and fees charged by the mediator and arbitrator.

14.10 General Provisions. A release or discharge of Respondent from liability to Claimant on account of the Claim does not release Respondent from liability to persons who are not party to Claimant's Claim.

14.11 Period of Limitation.

14.11.1 For Actions by an Owner or Resident. The exclusive period of limitation for any of the Parties to bring any Claim, shall be the earliest of: (i) for Claims alleging construction defect or defective design, two (2) years and one (1) day from the date that the Owner or Resident discovered or reasonably should have discovered evidence of the Claim; (ii) for Claims other than those alleging construction defect or defective design, four (4) years and one (1) day from the date that the Owner or Resident discovered or reasonably should have discovered evidence of the Claim; or (iii) the applicable statute of limitations for such Claim. In the event that a court of competent jurisdiction determines that an Owner does have the power or right to institute, defend, intervene in, settle or compromise litigation, arbitration or other proceedings relating to the design or construction of the Common Area, the exclusive period of limitation for a Claim of construction defect or defective design of the Common Areas, shall be the earliest of: (a) two (2) years and one (1) day from the date that the Owner or the Association discovered or reasonably should have discovered evidence of the Claim; or (b) the applicable

statute of limitations for such Claim. In no event shall this *Section 14.11.1* be interpreted to extend any period of limitations.

**14.11.2 For Actions by the Association.** The exclusive period of limitation for the Association to bring any Claim, including, but not limited to, a Claim of construction defect or defective design of the Common Areas, shall be the earliest of: (i) for Claims alleging construction defect or defective design, two (2) years and one (1) day from the date that the Association or its manager, board members, officers or agents discovered or reasonably should have discovered evidence of the Claim; (ii) for Claims other than those alleging construction defect or defective design of the Common Areas, four (4) years and one (1) day from the date that the Association or its manager, board members, officers or agents discovered or reasonably should have discovered evidence of the Claim; or (iii) the applicable statute of limitations for such Claim. In no event shall this *Section 14.11.2* be interpreted to extend any period of limitations.

**14.12 Funding the Resolution of Claims.** The Association must levy a Special Assessment to fund the estimated costs to resolve a Claim pursuant to this *Article 14*. The Association may not use its annual operating income or reserve funds to fund the costs to resolve a Claim unless the Association has previously established and funded a dispute resolution fund.
