

DECLARATION OF  
COVENANTS, CONDITIONS AND RESTRICTIONS  
WOODS OF LAKESIDE

THE STATE OF TEXAS   §  
                          §       KNOW ALL MEN BY THESE PRESENTS:  
COUNTY OF HARRIS   §

THIS DECLARATION, made on the date hereinafter set forth by LAKESIDE VENTURE, a joint venture composed of Joventex Corporation and First General Realty Corporation, both Texas corporations, (hereinafter referred to as "Venture"), acting herein by and through hereunto duly authorized officers, as follows:

W I T N E S S E T H:

WHEREAS, Venture is the owner of that certain 23.018 acre tract of land situated in Harris County, Texas, which is more particularly described as:

Lots One (1) through Eighteen (18), both inclusive, in Block One (1);

Lots One (1) through Twenty-Three (23), both inclusive, in Block Two (2);

Lots One (1) through Twenty-Three (23), both inclusive, in Block Three (3);

Lots One (1) through Twenty-Five (25), both inclusive, in the Block Four (4).

All of said Lots being in WOODS OF LAKESIDE, an addition in Harris County, Texas, according to the map or plat thereof, recorded in Volume 283, Page 59, Map Records of Harris County, Texas,

and Venture desires to impose upon such properties the covenants, conditions and restrictions herein set forth.

NOW THEREFORE, Venture hereby declares that all the properties described above shall be held, sold and conveyed

Return to: Jeanette C. Roche  
First General Realty Corporation  
Post Office Box 1413  
Houston, Texas 77001

subject to the following easements, restrictions, covenants and conditions, which are for the purpose of protecting the value and desirability of, and which shall constitute covenants running with the real property, shall be binding on all parties having any right, title or interest in the described properties or any part thereof, their heirs, successors and assigns, and shall inure to the benefit of each owner thereof and the WOODS OF LAKESIDE COMMUNITY ASSOCIATION, INC.

ARTICLE I  
DEFINITIONS

Section 1. "Association" shall mean and refer to Woods of Lakeside Community Association, Inc., its successors and assigns. The Association has the power to collect and disburse those maintenance assessments as described in Article III.

Section 2. "Owner" shall mean and refer to the record owner, whether one or more persons or entities, of a fee simple title to any Lot which is a part of the Properties, including contract sellers, but excluding those having such interest merely as security for the performance of an obligation.

Section 3. "Properties" shall mean and refer to: (a) that certain real property first hereinabove described, and (b) such additions thereto as may hereafter be brought within the jurisdiction of the Association.

Section 4. "Lot" shall mean and refer to any plot of land shown upon any recorded subdivision map of the Properties with the exception of the Common Area.

Section 5. "Common Area" shall mean all real property which may be owned and, all landscape easement which may be granted to the Association.

Section 6. "Declarant" shall mean and refer to not only Lakeside Venture but also to such of its successors or assigns (whether immediate or remote), as successor developer of all or a substantial portion of the Lots in the undeveloped state, but shall not include any purchaser of one or more developed Lots. For the purposes of this Declaration, "developed Lot" shall mean a Lot (1) with the street on which it faces is opened and improved and (2) with utilities installed and ready to furnish utility service to such Lot. An "undeveloped Lot" is any Lot which is not a developed Lot.

## ARTICLE II

### USE RESTRICTIONS

Section 1. Single Family Residential Construction. No building shall be erected, altered or permitted to remain on any Lot other than one detached single-family residential dwelling not to exceed three (3) stories in height, a private garage and bona fide servants' quarters which structures shall not exceed the main dwelling in height and which structure may be occupied only by a member of the family occupying the main residence on the building site or by domestic servants employed on the premises. Carports will not be allowed unless specifically approved by the Architectural Control Committee.

Section 2. Architectural Control. No buildings or improvements of any character shall be erected or placed or the erection thereof begun, or changes made in the design thereof after original construction, on any Lot until the

construction plans and specifications and a plan showing the location of the structure or improvements have been submitted to and approved in writing by the Architectural Control Committee, as to compliance with these restrictions, quality of material, harmony of external design with existing and proposed structures and as to location with respect to topography and finish grade elevation. The initial members of the Architectural Control Committee shall be Steven M. Gilmore, J. C. Rowler and William F. Heavin. If there exists at any time one or more vacancies in the Architectural Control Committee, the remaining member or members of such Committee may designate successor member(s) to fill such vacancy or vacancies. The Architectural Control Committee and the individual members thereof shall not be liable for any act or omission in performing or purporting to perform the functions delegated hereunder. In the event the Committee fails to indicate its written approval or written disapproval within thirty (30) days after the receipt of the required documents, approval will not be required and the related covenants set out herein shall be deemed to have been fully satisfied. Declarant hereby retains its right to assign the duties, powers and responsibilities of the Architectural Control Committee of Woods of Lakeside Community Association, Inc. when one hundred (100%) percent of all Lots in Woods of Lakeside are occupied by residents and the term "Architectural Control Committee" herein shall include the Association, as such assignee. The approval or lack of disapproval by the Architectural Control Committee shall not be deemed to constitute any warranty or representation by such Committee including, without limitation, any warranty or representation relating to fitness, design, or adequacy of the proposed construction or compliance with applicable statutes, codes and regulations.

*received 7/11  
W.F. Heavin*

Anything contained in this Section 2 or elsewhere in this Declaration to the contrary notwithstanding, the Architectural Control Committee, and its duly authorized representative, is hereby authorized and empowered, at its sole and absolute discretion, to make and permit reasonable modifications of and deviations from any of the requirements of this Declaration relating to the type, kind, quantity or quality of the building materials to be used in the construction of any building or improvement on any Lot and of the size and location of any such building or improvement when, in the sole and final judgment and opinion of the Committee, or its duly authorized representative, such modifications and deviations in such improvements will be in harmony with existing structures and will not materially detract from the aesthetic appearance of the Subdivision and its improvements as a whole.

The Architectural Control Committee may require the submission to it of such documents and items (including as examples, but without limitation, written request for and description of the variances requested, plans, specifications, plot plans and samples of materials) as it shall deem appropriate, in connection with its consideration of a request for a variance. If the Architectural Control Committee shall approve such request for a variance, the Architectural Control Committee may evidence such approval, and grant its permission for such variance, only by written instrument, addressed to the Owner of the Lot(s) relative to which such variance has been requested, describing the applicable restrictive covenant(s) and the particular variance requested, expressing the decision of the Architectural

Control Committee to permit the variance, describing (when applicable) the conditions on which the variance has been approved (including as examples, but without limitation, the type of alternate materials to be permitted, and alternate fence height approved or specifying the location, plans and specifications applicable to an approved outbuilding), and signed by a majority of the then members of the Architectural Control Committee (or by the Committee's duly authorized representative). Any request for a variance shall be deemed to have been disapproved for the purposes hereof in the event of either (a) written notice of disapproval from the Architectural Control Committee; or (b) failure by the Architectural Control Committee to respond to the request for variance. In the event the Architectural Control Committee or any successor to the authority thereof shall not then be functioning and/or the term of the Architectural Control Committee shall have expired and the Board of Directors of the Association shall not have succeeded to the authority thereof as herein provided, no variances from the covenants of this Declaration shall be permitted, it being the intention of Declarant that no variances be available except at the discretion of the Architectural Control Committee, or if it shall have succeeded to the authority of the Architectural Control Committee in the manner provided herein, the Board of Directors of the Association. The Architectural Control Committee shall have no authority to approve any variance except as expressly provided in this Declaration.

Section 3. Minimum Square Footage Within Improvements.

The living area on the ground floor of the main residential structure (exclusive of porches, garages and servants' quarters) shall be no less than 1,800 square feet for one-story dwellings. The total living area for a multi-story dwelling shall be not less than 2,000 square feet.

The Architectural Control Committee, at its sole discretion, is hereby permitted to approve deviations in any building area herein prescribed in instances which in its sole judgment, such deviation would result in a more common beneficial use. Such approvals must be granted in writing and when given will become part of these restrictions to the extent of the particular lot involved.

Section 4. Location of the Improvements Upon the Lot.

No building or other improvements shall be located on any Lot nearer to the front lot line or nearer to the street sideline than the minimum building setback line shown on the recorded plat. Subject to the provisions of this Section hereinafter contained and of Section 6, no building shall be located nearer than five (5) feet to an interior lot line, except that a garage or other permitted accessory building located sixty (60) feet or more from the front lot line may be a minimum distance of three (3) feet from an interior lot line. For the purposes of this covenant or restriction, eaves, steps and unroofed terraces shall not be considered as part of a building, provided, however, that this shall not be construed to permit any portion of the construction on a Lot to encroach upon another Lot.

Section 5. Composite Building Site. Any Owner of one or more adjoining Lots (or portions thereof) may consolidate such Lots or portions into single-family residence building

111 00 0007

sites with the privilege of placing or constructing improvements on such sites, in which case setback lines shall be measured from the resulting side property lines rather than from the lot lines shown on the recorded plat. Any such composite building site must be approved by the Architectural Control Committee.

Section 6. Utility Easements. Easements for installation and maintenance of utilities are reserved as shown and provided for on the recorded plat and no structure of any kind shall be erected upon any of said easements. Neither Venture nor any utility company using the easements shall be liable for any damage done by either of them or their assigns, their agents, employees or servants to shrubbery, trees, flowers or improvements of the owner located on the land within or affected by said easements.

Section 7. Prohibition of Trade and Offensive Activities. No activity, whether for profit or not, shall be carried on on any lot which is not related to single family residential purposes. No noxious or offensive activity of any sort shall be permitted nor shall anything be done on any lot which may be or become an annoyance or a nuisance to the neighborhood.

Section 8. Use of Temporary Structures. No structures of a temporary character, mobile home, trailer, basement, tent, shack, garage, barn or other outbuilding shall be used on any lot at any time as a residence. Portable buildings used for accessory or storage purposes shall be subject to approval of the Architectural Control Committee. Temporary structures may be used as building offices and for related purposes during the construction period. Such structures shall be inconspicuous and sightly and shall be removed immediately after completion of construction.

Section 9. Storage of Automobiles, Boats Trailers and Other Vehicles. No boat trailers, boats, travel trailers, inoperative automobiles, campers, or vehicles of any kind shall be semi-permanently or permanently stored in the public street right-of-way or on driveways. Storage of such items and vehicles must be screened from public view, either within the garage or behind a fence which encloses the rear of the Lot.

Section 10. Mineral Operations. No oil drilling, oil development operations, oil refining, quarrying or mining operations of any kind shall be permitted upon or in any Lot, nor shall any wells, tanks, tunnels, mineral excavation, or shafts be permitted upon or in any Lot. No derrick or other structures designed for the use of boxing for oil or natural gas shall be erected, maintained, or permitted upon any Lot.

Section 11. Animal Husbandry. No animals, livestock or poultry of any kind shall be raised, bred or kept on any Lot except that dogs, cats or other common household pets of the domestic variety may be kept provided that they are not kept, bred or maintained for commercial purposes and provided that no more than two (2) of each type animal is kept.

Section 12. Walls, Fences and Hedges. No wall, fence or hedge in excess of three (3) feet in height shall be erected or maintained nearer to the front lot line than the walls of the dwelling existing on such Lot within Woods of Lakeside. The Architectural Control Committee may grant specific variances of the foregoing requirements in accordance with Section 2 hereof as it may, from time to time deem necessary or advisable. No fence, wall or hedge shall be more than eight (8) feet in height. No chain link fence

type construction will be permitted on any Lot. Any wall, fence or hedge erected on a Lot by Declarant, or its assigns, shall pass ownership with title to the lot and it shall be Owner's responsibility to maintain said wall, fence or hedge thereafter.

Section 13. Visual Obstruction at the Intersection of Public Streets. No object or thing which obstructs sight lines at elevations between two (2) and six (6) feet above the surface of the streets within the triangular area formed by the intersecting street property lines and a line connecting them at points twenty-five (25) feet from the intersection of the street property lines or extensions thereof shall be placed, planted or permitted to remain on any corner lots.

Section 14. Lot Maintenance. The Owner or occupants of all Lots shall at all times keep all weeds and grass thereon cut in a sanitary, healthful and attractive manner and shall in no event use any Lot for storage of material and equipment except for normal residential requirements or incident to construction of improvements thereon as herein permitted. The accumulation of garbage, trash or rubbish of any kind or the burning (except as permitted by law) of any such materials is prohibited. In the event of default on the part of the Owner or occupant of any Lot in observing the above requirements or any of them, such default continuing after ten (10) days' written notice thereof, Venture, or its assigns, may without liability to Owner or occupant, but without being under any duty to so do, in trespass or otherwise, enter upon said Lot, cut, or cause to be cut, such weeds and grass and remove or cause to be removed, such garbage, trash and rubbish or do any other thing necessary

to secure compliance with these restrictions and to place said Lot in a neat, attractive, healthful and sanitary condition, and may charge the Owner or occupant of such Lot for the cost of such work. The Owner or occupant, as the case may be, agrees by the purchase or occupation of the Lot to pay such statement immediately upon receipt thereof.

Section 15. Visual Screening on Lots. The drying of clothes in public view is prohibited, and the Owner or occupants of any Lots at the intersection of streets or adjacent to parks, playgrounds or other facilities where the rear yard or portion of the Lot is visible to the public shall construct and maintain a drying yard or other suitable enclosure to screen drying clothes from public view. Similarly, all yard equipment, woodpiles or storage piles shall be kept screened by a service yard or other similar facility so as to conceal them from public view of neighboring Lots, streets or other property.

Section 16. Signs, Advertisements, Billboards. No sign, advertisement, billboard or advertising structure of any kind shall be placed, maintained or displayed to the public view on any Lot except one sign for each building site, of not more than five (5) square feet, advertising the property for sale or rent, provided that Venture or its assigns, may maintain, as long as it owns property in Woods of Lakeside, in or upon such portions of the Properties as Venture may determine, such facilities as in its sole discretion may be necessary or convenient, including, but without limitation to offices, storage areas, model units and signs. Venture or its assigns, shall have the right to remove any such sign, advertisement, billboard, or structure which is placed on said Lots in violation hereof, and in

doing so shall not be subject to any liability for trespass or other tort in connection therewith or arising from such removal.

Section 17. Roofing Material. The roof of all buildings (including any garage or servants' quarters) shall be constructed or covered with wood shingles. Any other type of roofing material shall be permitted only at the sole discretion of the Architectural Control Committee upon written request.

Section 18. Maximum Height of Antennae. No electronic antenna or device of any type other than an antenna for receiving normal television signals shall be erected, constructed, placed or permitted to remain on any lot, houses, or buildings. Television antennae may be attached to the house provided, however, such antenna must be located to the rear of the roof ridge line, gable or center line of the principal dwelling. Freestanding antennae must be attached to and located behind the rear wall of the main residential structure. No antennae, either freestanding or attached, shall be permitted to extend more than ten (10) feet above the roof of the main residential structure on the lot, or shall be erected on a wooden pile.

Section 19. Underground Electric Service. An underground electric distribution system will be installed in the part of Woods of Lakeside, designated Underground Residential Subdivision, which underground service area shall embrace all lots in Woods of Lakeside. The Owner of each lot in the Underground Residential Subdivision shall, at his own cost, furnish, install, own and maintain (all in

accordance with the requirements of local governing authorities and the National Electrical Code) the underground service cable and appurtenances from the point of the electric company's metering on customer's structure to the point of attachment at such company's installed transformers or energized secondary junction boxes, such point of attachment to be made available by the electric company at a point designated by such company at the property line of each Lot. The electric company furnishing service shall make the necessary connections at said point of attachment and at the meter. In addition the Owner of each such Lot shall, at his own cost, furnish, install, own and maintain a meter loop (in accordance with then current standards and specifications of the electric company furnishing service) for the location and installation of the meter of such electric company for the residence constructed on such Owner's Lot. For so long as underground service is maintained in the Underground Residential Subdivision the electric service to each Lot therein shall be underground, uniform in character and exclusively of the type known as single phase 120/150 volt, three wire, 60 cycle, alternating current.

The electric company has installed the underground electric distribution system in the Underground Residential Subdivision at no cost to Developer (except for certain conduits, where applicable) upon Developer's representation

that the Underground Residential Subdivision is being developed for single-family dwellings and/or townhouses of the usual and customary type, constructed upon the premises, designed to be permanently located upon the Lot where originally constructed and built for sale to bona fide purchasers (such category of dwelling and/or townhouses expressly excludes, without limitation, mobile homes and duplexes). Therefore, should the plans of Lot Owners in the Underground Residential Subdivision be changed so that dwellings of a different type will be permitted in such Subdivision, the company shall not be obligated to provide electric service to a Lot where a dwelling of a different type is located unless (a) Developer has paid to the company an amount representing the excess in cost, for the entire Underground Residential Subdivision, of the underground distribution system over the cost of equivalent overhead facilities to serve such Subdivision, or (b) the Owner of such Lot, or the applicant for service, shall pay to the electric company the sum of (1) \$1.75 per front lot foot, it having been agreed that such amount reasonably represents the excess in cost of the underground distribution system to serve such Lot, plus (2) the cost of rearranging and adding any electric facilities serving such Lot, which rearrangement and/or addition is determined by the company to be necessary. Nothing in this paragraph is intended to exclude single metered service to apartment projects, if any, under the terms of a separate contract.

#### ARTICLE III

##### COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. Venture, in the case of each Lot owned

within the Properties, hereby covenants, and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, shall be deemed to covenant and agree to pay to the Association: (1) annual assessments or charges, and (2) special assessments for capital improvements or for repayment of funds borrowed and used in payment of capital improvements. Such assessments shall be established and collected as hereinabove provided. The annual and special assessments, together with interests, costs and reasonable attorneys' fees, shall be a charge on the Lot and shall be a continuing lien upon the Lot against which each such assessment is made. Each such assessment, together with interest, costs and reasonable attorneys' fees, shall also be the personal obligation of the person who was the Owner of the Lot at the time when the assessment fell due. Appropriate recitations in the deed conveying each Lot will evidence the retention of a vendor's lien by Ventura for the purpose of securing payment of said charge assigned to the Woods of Lakeside Community Association, Inc. without recourse on Ventura in any manner for the payment of said charge and indebtedness.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the owners in the Properties and for the improvements and maintenance of the Common Area.

Section 3. Maximum Annual Assessment. Until January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment shall not be greater than Three Hundred Dollars (\$300.00) per Lot except as provided hereinafter.

(a) From and after January 1, of the year immediately following the conveyance of the first Lot in

Woods of Lakeside, to an Owner, the maximum annual assessment may be increased each year by an amount equal to not more than ten (10%) percent above the maximum assessment which could have been made without a vote of the Owners of the Lots in the Properties in the case of the previous year.

(b) From and after January 1, of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased to an amount in excess of ten (10%) percent of the maximum assessment for the previous year by a vote of two-thirds (2/3) of the Owners of the Lots in the Properties, each Owner or Owners of Lots being entitled to one vote per each Lot owned, who are voting in person or by proxy, at a meeting duly called for such purpose.

(c) The Board of Directors of the Association may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements.

In addition to the annual assessment authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of the Owners of Lots in the Properties who are voting in person or by proxy at a meeting duly called for this purpose.

Section 5. Notice and Quorum for any Action Authorized Under Section 3 and 4. Written notice of any meeting called

for the purpose of taking any action authorized under Section 3 and 4 shall be mailed (by U.S. first class mail) to all Owners of Lots not less than thirty (30) days not more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of Owners or of proxies entitled to cast sixty (60%) percent of all the votes of the Owners of the Lots in the Properties shall constitute a quorum. If the required quorum is not present at any such meeting, the meeting shall be adjourned but another meeting may be called subject to the same notice requirement, but the required quorum at such subsequent meeting shall be one-half (1/2) of the required quorum applicable in the case of the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 6. Rate of Assessment. All Lots in Woods of Lakeside shall commence to bear their applicable maintenance fund assessment simultaneously; however, Lots in Woods of Lakeside, owned by Venture are exempt from assessment. Lots which are occupied by residents shall be subject to the annual assessment determined by the Board of Directors in accordance with the provisions of Sections 3 and 7 hereof. Lots in Woods of Lakeside, which are not occupied by a resident and which are owned by a builder or a building company shall be assessed at the rate of one-half (1/2) of the annual assessment above. The rate of assessment for an individual Lot, within a calendar year, can change as the character of ownership and the status of occupancy by a resident changes, and the applicable assessment for such Lot shall be prorated according to the rate required during each type of ownership.

Section 7. Date of Commencement of Annual Assessments:

Due Dates. The annual assessments provided for herein shall commence as to all Lots in Woods of Lakeside on May 1, 1979. The first annual assessment shall be adjusted according to the number of months remaining in the then current calendar year. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be mailed (by U.S. first class mail) to every Owner subject thereto. The payment dates shall be established by the Board of Directors. The association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid and the amount of any delinquencies. The Association shall not be required to obtain a request for such certificate signed by the Owner but may deliver such certificate to any party who in the Association's judgment has a legitimate reason for requesting same.

Section 8. Effect of Nonpayment of Assessments:

Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date until paid at the rate of ten (10%) percent per annum. The Association may bring action at law against the Owner personally obligated to pay the assessment, or foreclose the lien against the Lot involved. No Owner may waive or otherwise escape liability for the assessments provided for herein by non use of the Common Area, if any, or abandonment of his Lot.

Section 9. Subordination of the Lien to Mortgages.

The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage existing at any time upon the particular Lot involved. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure (whether by exercise of power of sale or otherwise) or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof, but such lien shall exist as, and constitute, a separate and distinct charge and lien on each Lot.

ARTICLE IV

GENERAL PROVISIONS

Section 1. Enforcement. The Association, or any

Owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. Failure by the Association or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 2. Severability. Invalidation of any one of

these covenants or restrictions by judgment or court order shall in no wise affect any other provisions which shall remain in full force and effect.

Section 3. Amendment. The covenants and restrictions

of this Declaration shall run with and bind the land, for a

term of twenty (20) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years. This Declaration may be amended during the first twenty (20) year period by an instrument signed by those Owners owning not less than ninety (90%) percent of the Lots within Woods of Lakeside, and thereafter by an instrument signed by those Owners owning not less than seventy-five (75%) percent of the Lots within Woods of Lakeside. No person shall be charged with notice of or inquiry with respect to any amendment until and unless it has been filed for record in the Official Public Records of Real Property of Harris County, Texas.

Section 4. Annexation. Additional residential property and/or Common Area may be annexed to the Properties by the Board of Directors of Woods of Lakeside Community Association, Inc. without approval or consent of Owners of Lots in Properties.

Dated this the 16th day of January, 1979.
