Park Village Estates Community Association

Policies and Procedures for the Collection of Assessments and Other Charges of the Association

The Board of Directors of Park Village Estates Community Association (the "Association") has adopted the following policies and procedures for the collection of assessments and other charges of the Association. The policies and procedures detailed herein will be implemented on behalf of the Board of Directors by RealManage (the "Management Company") as agent for the Association unless otherwise stated.

Obligation to Pay Assessments

Membership in the Association is mandatory pursuant to the terms and conditions of the Declaration. A property owner is legally obligated to pay the Assessments to the Association even if the Association's facilities or amenities are not used by the property owner. The property owner may not withhold assessment payments even if the association is not providing maintenance or other services mandated by the Association's governing documents.

Due Dates

Assessments are due on the 1st as follows: 1/1.

Invoices

The association may, but shall not be required to, invoice a property owner as a condition to an owner's obligation to pay assessment or other charges of the Association. As a matter of course, assessments are invoiced by statements. Non-receipt of an invoice shall in no way relieve the property owner of the obligation to pay the amount due by the due date. Property owners who do not receive their invoice are responsible for contacting the Management Company prior to the due date to request a replacement. Property owners are responsible for notifying the Management Company of their mailing address at the time of acquiring property ownership and any subsequent mailing address change.

Late Payment Charges

An assessment shall be past due and subject to late payment charges if not paid in full as follows:

A Finance charge of 10.00% per annum using simple compounding based on a 365 day year.

Return Payment Charges

A non-negotiable fee of not less than \$25.00 will be assessed to the property owner for any payment processed that is not honored by a bank or financial institution for any reason including but not limited to insufficient funds. Such return payment charge shall be due and payable immediately upon demand. Any applicable late payment charges, which would have been assessed if the payment had not been made, may also be applied to the property owner's account. The payment of the outstanding account balance will be required to be paid with a money order or cashier's check. Personal checks will not be accepted to satisfy an outstanding account balance when an insufficient fund check makes up a portion of the balance.

Referral of Delinquent Accounts to Attorneys

The Association may, but shall not be required to, refer delinquent accounts to its attorney(s) for further collection action. The Association's attorney, at the direction of the Board of Directors and on behalf of the Association, may elect to pursue any available method of collection allowable under state law, which may include, but not be limited to, the filing of a lawsuit for foreclosure against the property owner.

Referral of Delinquent Accounts to Lien Services or Collection Agencies

The Association may, but shall not be required to, refer delinquent accounts to lien services providers or collection agencies for further collection action. These service providers, at the direction of the Board of Directors and on behalf of the Association, may elect to pursue any available method of collection allowable under state law.
