Dear Homeowners and Residents:

The board has met and approved the following colors for doors, siding/trim, accent colors (shutters, etc.) and garage doors. We met with a designer at Sherwin Williams to provide as many options as possible for your convenience. The colors that were chosen are SherwinWilliams brand but any color match system can match the color and is perfectly acceptable. The color numbers for the siding/trim and garage doors are strips and any color and/or variation of those colors on the strip are approvable. We are working on getting a brochure that has the colors together in a more convenient package for you to choose from. In the interim, we wanted to make sure that we provided these to you as soon as possible.

Doors-7602, 9178, 9081, 6073, 7593, 7585, 7019, 6258, 6229, 6222, 6228, 2858, 7702, 6201, 6209

Siding/Trim, Accent & Garage Doors-203, 204, 205, 207, 211, 215, 235, 236, 237, 241, 242, 243 244, 249, 252, 254, 259, 261, 284, 292.

For clarification purposes, please note that garage doors, trim and shutters should all be the same color. Shutters must be one solid color. Prior to ANY EXTERIOR MODIFICATION, you are required by the governing documents to submit an ACC application and get approval BEFORE making any changes to your home. The ACC application can be found at <http://grahammanagementhouston.com/>.

If you have any questions or concerns, please do not hesitate to contact Graham Management at 713-334-8000.

Sincerely,
