I. PURPOSE

The purpose of this Rain Barrel Policy (this “**Policy**”) is to provide guidance regarding the installation of rain barrels pursuant to Texas Property Code Section 202.007(d). The Board of Directors (the “**Board**”) of Trillium Community Association, Inc. (the “**Association**”) has determined that it is in the best interest of the Association to establish this Policy concerning the installation of rain barrels on property subject to its jurisdiction.

II. APPLICABILITY AND AUTHORITY

The property encumbered by this Policy is that property restricted by the Declaration of Covenants, Conditions, and Restrictions for Trillium, recorded in the Official Public Records of Fort Bend County, Texas, under Clerk’s File No. 2023101009, as same has been or may be amended from time to time (the “**Declaration**”), and any other property which has been or may be subsequently annexed into Trillium and made subject to the authority of the Association.

The capitalized terms used in this Policy are defined in the same manner as set forth in the Declaration and the interpretation provision set forth in the Declaration applies to this Policy, which definitions and interpretation provision are incorporated in this Policy by this reference.

Any reference made in this Policy to approval by the Architectural Review Committee (the “**ARC**”), means prior written approval by the ARC.

Pursuant to the Dedicatory Instruments governing the Property, the Association is vested with the authority to adopt policies, rules, and guidelines.

Pursuant to the authority granted in Section 202.007(d) of the Texas Property Code, the Board adopts this Policy, which runs with the land and is binding on all Owners and Lots within the Property. This Policy is effective upon the recording of same. This Policy replaces any previously recorded or implemented policy that addresses the subjects contained in this Policy.

Invalidation of any one or more of the covenants, conditions, restrictions, or provisions contained in this Policy will in no way affect any one of the other covenants, conditions, restrictions, or provisions of this Policy, which remain in full force and effect.

III. RAIN BARREL POLICY

An application must be submitted for review by the ARC, and formal written approval from the ARC is required before installation may begin.
